

Candor Elementary Parent Involvement Plan

To ensure positive involvement of parents, allowing them to feel valued and appreciated while reinforcing the concept that academic achievement of children is a responsibility shared by all stakeholders (parents, community, students and staff) we will:

- Hold an annual meeting, such as Open House, to inform parents about the school curriculum, academic assessments, expected levels of proficiency, the Title I program and how Title I funds are used.
- Distribute school announcements and callouts in English/Spanish.
- Provide a minimum of two additional parent meetings or activities planned to support state academic standards and to provide parents with strategies and materials to reinforce student learning at home: Literacy Night and STEM Night (Science, Math and Technology).
- Place flyers on our school's website, Class Dojo, and Facebook in order to provide tips for parents to engage in supportive learning activities with their children.
- Address the importance of school-parent communication with:
 - Parent/teacher conferences and school surveys.
 - Progress Reports will be distributed four times a year by the classroom teachers and are available. Student progress is always available via Parent Portal on PowerSchool.
- We will provide opportunities for parents to visit the school, observe, and volunteer.
- Inform parents of opportunities for family literacy experiences including basic adult education, GED, and ESL classes that are offered in our community. (Parent Resource Center)
