Dear Parents and Guardians,

West Montgomery is proud to have so many students participating in classes at Montgomery Community College (MCC) this school year. In an effort to ensure the safety of all West Montgomery High School (WMHS) students traveling to and from MCC, we are requesting the following information from each student.

Your son/daughter has the following options for transportation to and from WMHS to MCC. The parent/guardian assumes the responsibility for the conduct, transportation, and necessary insurance of the student while in the cooperative program, including the time in class, on the job, at student organizational functions, and en route to school, the job, organizational functions and home.

- Students may ride the high school bus to and from the WMHS to MCC.
- Your son/daughter can drive themselves to and from the WMHS to MCC.
- Parents or guardians can transport their son/daughter to and from WMHS to MCC.

****At no time are students allowed to ride with another student to and from West Montgomery High School to Montgomery Community College (unless students are siblings in the same household.)****

Please review the information below and indicate how your child will be traveling to MCC.

If you have any questions or concerns please contact me at 910.439.6191.

Sincerely,

Dirk Gurley
Principal
