5. Combination of High School and Lower Grades:

A. End of Course Test(s) results and End of Grade Test(s) results.

II. The performance composite shall be reported when applicable.

III. Menu of Local Options

3. School Safety/Student Conduct

Goal: The percentage of students receiving discipline referrals were 19.5% and will decrease to 15.0%.

4. Higher Expectations for Student Achievement

Goal: The percentage of students making better grades and/or Enrolled in higher-level course(s) was 62.4% and will increase to 70.0%.

7. Community Involvement

Goal: We had 31 agencies/organizations, and 108 individuals involved with Montgomery Learning Academy students on a continual basis during the 2009-10 school year. A minimum of 119 individuals, agencies and/or organizations will be involved with the school program during the 2010-11 school year. This would represent a 10.0% increase of participation over the 2010-11 school year.
