

## **What is impacting Student Learning?**

**October 24, 2012 Student Advisory Council**

### **Schools - Good**

- Some advanced teachers
- Free breakfast, also 2<sup>nd</sup> breakfast
- Break
- New Ipads/Laptops
- Write-in math books
- Car rider system
- Extra forms in the office
- Very positive outlook

### **Schools - Not So Good**

- West has more flexible dress code
- Cell phone policy
- Less crowded hallways
- More hallway room
- Bugs!!!
- Better protection
- Funding for sports
- Better food
- More study halls
- Uniforms/strict uniform policy
- Uniforms
- Bugs, food, milk, social studies books, update signs, hallways, bathrooms

### **Future Topics**

- Pests
- Lunch, new & better foods
- Less strictness
- Senior privileges
- New classes
- More activities
- Uniforms

### **Classroom – Good**

- Supplies, active boards, class work
- PDSA is good
- Good use of technology in the classroom
- Need more teachers like Ms. Talbert & Ms. Gilman
- Middle school has fun in some classes
- Smart board enhances learning

### **Classroom – Not So Good**

- Writing in the textbook
- Cold in some rooms, warm in some rooms
- Fix active board projectors
- Overpopulated classrooms
- Teachers that speak English
- Need more books in classrooms
- More hands on work and less worksheets
- More advanced studies
- No field trips
- Getting us ready for college
- Technology
- Animals in the hallways
- Teachers not teaching as much and letting students explore
- No interaction with technology
