SUBJ: ACTION ITEM (Snow Day Recommendation)

Due to recent inclement weather activity, it appears as though we have already had a more active winter this year than we did last year. In discussions with our calendar committee, they asked that I consider convening school on Saturday if a snow day is missed from this point forward in lieu of making up days during Spring Break. To do so would require your approval.

I hereby recommend, for your consideration, that Montgomery County Schools authorize me to declare Saturdays as possible make-up days in the event it becomes necessary to do so instead of using Spring Break days as official make-up days.

While there is no way to absolutely guarantee that Spring Break will not be used as snow make-up, I feel this step will help if we have more snow days between now and then.

I am available to answer any questions you might have.
