SUBJ: ACTION AGENDA ITEM (SIP Approval)

I am requesting approval of the School Improvement Plans (SIPs) that have been posted online. You have reviewed the plans over the course of the last 3 weeks. The plans will be used to drive instructional improvement within the schools. This is the first year that we have used a standard template and SMART goals with the plans. They are very focused on improving gaps areas identified after the last round of state testing.

I am available to answer any questions you might have.
