

## **DISSEMINATION AND PRESERVATION OF POLICIES**

*Policy Code:*

**2430**

---

The superintendent shall establish and maintain an orderly plan for preserving and making accessible the policies adopted by the board and any accompanying administrative procedures or memoranda.

A physical policy manual will be kept at the board of education offices to serve as the official policy manual of the board and will be available for inspection by the public during regular office hours. An electronic duplicate of the official policy manual will be accessible through the school system website. The board intends that the official physical manual and the electronic duplicate will have identical content at all times. However, should a discrepancy between the two arise, it will be resolved in accordance with the board's most recent action on the policy.

The superintendent or designee shall update both the physical policy manual and the electronic copy in a timely manner as new policies are adopted and existing policies are revised or rescinded by the board. The superintendent shall also ensure timely upkeep of any copies of the manual that have been distributed in physical or electronic form.

The superintendent will ensure that all board members and employees have convenient access to copies of the board's policies manual.

All physical policy manuals distributed remain the property of the board and will be deemed to be "on loan" to any person or organization and are subject to recall at any time deemed necessary for purposes of amendment, rescission, or recodification.
