

The board instructs the superintendent to keep it fully informed of the affairs of the State and National School Boards Association and to keep those organizations informed as directed regarding the board's concerns and official positions on matters of common concern. The superintendent will include in the budget each year the cost of this membership.

All board members are encouraged to attend meetings, conferences and seminars of this organization in order to familiarize themselves with the latest developments in school affairs.

The board also will attempt to be officially represented in association affairs through the election of delegates and/or observers to the governing assemblies of those organizations.

The board of education must approve out-of-state travel and conferences sponsored by the National School Boards Association for board members in advance of committing to such travel.
