

A. ASSIGNMENT AREAS

The superintendent shall recommend to the board school assignment areas for the schools in the system.

The assignment areas will be developed in accordance with state requirements and court rulings; the need to serve all school-age children who live in the school system; and the effective use of each school facility. Assignments must be made in a non-discriminatory manner.

The superintendent shall review periodically the attendance areas and submit recommendations for revisions to the board when necessary.

B. ASSIGNMENT OF STUDENTS

The superintendent shall assign students to particular schools based upon the established assignment areas. Notwithstanding the provisions of this policy, the superintendent shall (1) assign homeless students in a manner consistent with state and federal law and policy 4125, Homeless Students; and (2) assign students in foster care to their school of origin unless contrary to their best interest, as required by federal law.

Students who are participating in or whose parent is participating in the North Carolina Address Confidentiality Program established by G.S. Chapter 15C will be assigned on the basis of their actual address, but such address will remain confidential in accordance with law and policy 4250/5075/7316, North Carolina Address Confidentiality Program.

Parents or guardians also have the option of applying for admission to one of the school system's magnet schools. Admission decisions for magnet schools will take into account the following criteria:

1. maintaining a socioeconomic, geographic, and student achievement diversity that is reasonably reflective of the school system as a whole;
2. efficient use of school facilities;
3. any program criteria that must be met by the student for admission to the particular school;
4. enabling siblings to attend the same school; and

C. REQUESTS FOR REASSIGNMENT**1. Procedure for Requesting Reassignment Before Notice of Assignment**

Before notice is given of assignment for the following school year, parents or guardians may request assignment to a school outside of their regular attendance area. Such a request must be submitted in writing to the superintendent by June 1. The superintendent shall consider and make a determination based upon the best interest of the child, the orderly and efficient administration of the public schools, the proper administration of the school to which assignment is requested, and the instruction, health, and safety of the pupils there enrolled. A decision will be made and the parent notified by June 30. If the parent is dissatisfied with the superintendent's response, the parent may request the board to reassign the student as provided below.

2. Procedure for Requesting Reassignment After Notice of Assignment

Within 10 days of notice of the assignment or the last publication thereof, the parent may request in writing the reassignment of the child to a different public school. The request must specify the reason why reassignment is sought. If the application for reassignment is disapproved, the board will give notice to the applicant by registered or certified mail.

Within five days of receiving the notice of the disapproval, the parent may request a hearing on the reassignment request. The board or a panel of the board will hear the appeal. If a panel hears the appeal, the panel's recommendation will be submitted to the full board for a final determination. At the hearing the board will consider and make a determination based upon the best interest of the child, the orderly and efficient administration of the public schools, the proper administration of the school to which reassignment is requested, and the instruction, health, and safety of the pupils there enrolled. The board will promptly render a decision, and notice of the decision will be given to the applicant by mail, telephone, telefax, e-mail, or any other method reasonably designed to achieve notice.

Students whose legal residence changes from one school assignment area to another within the school system during the same school year may choose to finish out that school year in the same school or attend school in the area to which they have moved. If they elect to remain in the first school in order to complete that year, they will be assigned to the school according to the area in which they live at the beginning of the next school year. 4. Transfer of Students in Foster Care

Students who are assigned to foster care between academic years or during an academic year will remain in their school of origin unless remaining in the school of origin is not in the best interest of the student. The best interest of the student will be decided based on all relevant factors, including consideration of the appropriateness of the educational setting and proximity to the school in which the child is enrolled at the time of placement in foster care.

5. Other Transfers

The superintendent shall consider student requests for transfer to another school during the school year based upon space availability, the needs of the child, the effect on the school to which transfer is requested, principal recommendations, and other criteria established by the superintendent.
