

The board recognizes the valuable contributions which school volunteers can make to the learning process and educational goals of the school system. Instructional programs are enhanced through the contributions of student's parents, community members and local business and industry. These volunteers contribute time, resources, and expertise that assist the school system to reach the goal of providing a sound basic education for all children.

The superintendent shall provide for parents to be notified of their right to take four hours of unpaid leave from their jobs every year in order to volunteer in their child's schools as stated in G.S. 95-28.3.

The board encourages school administrators to develop and implement plans and procedures for utilizing school volunteers. The superintendent and designees are responsible for implementing and supervising school volunteer programs. School volunteer programs must provide the following:

1. adequate screening of volunteers based upon the amount of contact they will have with students;
2. the requirement that volunteers comply with policy 5020, Visitors to the Schools.
3. reasonable supervision of volunteers based at least in part upon the amount of contact they will have with students; and
4. adequate training of volunteers, including familiarizing volunteers with applicable laws, board policies, administrative procedures and school rules.

All school volunteers are expected to be professional and dependable in their volunteer activities.
