Policy Code: **5100**

Productive working relationships with other governmental agencies are critical to the school system's efforts to provide safe, orderly and inviting learning environments in which students can succeed in the educational program. These relationships also are necessary to coordinate-services so that various governmental agencies can strive to meet the needs of students in an efficient and effective manner.

School administrators are expected to develop and maintain productive working relationships with other governmental agencies. Any contracts or specific agreements regarding working relationships with other governmental agencies must be approved by the board.
