

GOALS OF STUDENT TRANSPORTATION SERVICES

Policy Code: 6300

The local board elects to provide school transportation services for eligible students. The goals of the transportation services are as follows:

1. providing transportation to and from school to students most in need of the service;
2. making safety a priority in maintaining quality transportation equipment and vehicles;
3. teaching and expecting students to act in a safe and orderly manner while using school transportation;
4. planning and providing transportation services efficiently and economically;
5. using transportation services to support the types of learning opportunities available to students;
6. working effectively with students, parents, guardians, private contractors and other governmental agencies in providing transportation services; and
7. providing courteous service to students and responding promptly and courteously to requests by parents, guardians and students.
