

It shall be the policy of the Montgomery County Board of Education to allow persons with knowledge of illegal or unethical practices to report such practices to the Director of Personnel by calling 910-576-6511 unless such practices involve the Director of Personnel. In this case, the reporter should call the Superintendent at 910-576-6511. When initially reporting such practices, it will not be necessary to identify oneself by name.
