

The superintendent is responsible for monitoring construction the contracts with the architect and/or engineer and all contractors. The superintendent or designee will report periodically to the board on the progress being made by the contractors, architects and/or engineers, including whether the work is being performed in accordance with plans, specifications, contracts and specified deadlines.

Change orders for construction contracts shall be managed in accordance with the requirements established in policy 9030, Facility Construction.

The superintendent may utilize consultants in performing the review required by this policy. Any contract for such services must be included in the budget for the project.
