SUBJECT: Montgomery County Early College Mascot and Colors – Action Item

Based on overwhelming response at the Montgomery County Early College Open House on May 3<sup>rd</sup> and feedback from the MCEC Student Leadership Committee, the Phoenix emerged as the number one choice as mascot for the Early College. Input from the same sources (152 responses and 48% of the vote) selected the color choices as navy and red. The colors were chosen to represent the mascot and to complement the community college school colors. Therefore, I am recommending approval of the colors and mascot as voted on by the students. A logo rendering by Brent Thompson is attached.

This is an action item and will require a vote.

I will be available to answer any questions you may have.
