AP Scholar Awards

Recognize the hard work and achievements of your AP Scholars

The AP Program offers several AP Scholar Awards to recognize high school students who have **demonstrated college-level achievement through AP courses and exams**. Although there is no monetary award in addition to receiving an award certificate, this achievement is acknowledged on any score report that is sent to colleges the following fall. The College Board encourages schools to celebrate their AP Scholars by sending a [press release](#) (.doc/967K) to their local newspaper. Notifications about AP Scholar Awards are sent to students and schools in October of each year.

You can view data for the 2013 exam administration by downloading [this file](#) (.xls/81K). Visit [research, reports, and data](#) for past years' AP Scholar volumes.

Notes about AP Scholar Awards

- There are two steps to calculating the awards:
 - The student's average AP score is determined based on **all** exams taken this year and in previous years.
 - The student's exam scores are checked to see which ones count toward the various AP Scholar Awards.
- A student must meet all criteria to be eligible. For example, a student who has a 3.25 AP score average but only received a 3 or higher on **three** exams will not receive the AP Scholar with Honor Award because the minimum requirement is a score of 3 or higher on **four** or more exams.
