

## Board Recognition Form

***Please submit forms by the 20<sup>th</sup> of each month***

The Montgomery County Board of Education recognizes students and employees during monthly board meetings for outstanding accomplishments on the district, state and national levels, if first, second, or third place was achieved. If a student or employee at your school has achieved something worthy of board recognition, please let us know.

*Please fill in the information of the person to be recognized below. Please use a separate form for each person, including team awards.*

This recognition goes out to Debbie Allen and Brenda DeBerry for their quick actions during a medical situation.  
Both individuals always put the wellness and education gains as their main focus. Their action for a student that had  
an allergic reaction to an insect bite on September 4<sup>th</sup> just goes to prove their concern for the safety of the children at  
Candor Elementary. Both Mrs. Allen and Mrs. DeBerry worked together to ensure proper treatment of the student  
from the school level and ensure that the student received care from health personnel after school hours. Both Mrs.  
Allen and Mrs. DeBerry are outstanding examples of caring individuals that help build positive relationships for the  
students at Candor Elementary and the Montgomery County School system!
