PROCUREMENT PLAN
SCHOOL NUTRITION PROGRAM**

The procurement plan described on the following pages (pages 1 through 25) was adopted by the Montgomery County Board of Education (BOE) on the date signed below and will be effective immediately and from that date forward until amended. All procurement processes and activities will be consistent with the principles of free and open competition. The SFA will avoid unreasonable conditions that restrict competition. All reasonable efforts will be made to solicit bids, proposals and/or quotes from as many qualified vendors as possible. All qualified vendors are invited to respond to solicitations.

The procurement of all goods and services using School Nutrition funds will be carefully documented during each phase of the procurement process. The BOE shall award contracts to responsible contractors possessing the ability to perform successfully under the terms and conditions of the proposed solicitation. The BOE will restrict awards, sub-awards and contracts with any party that is debarred, suspended or otherwise excluded from participation in Federal assistance programs or activities. All parties involved in the procurement process involving School Nutrition funds will comply with a written code of ethics/conduct, which includes a conflict of interest policy. Adherence with the code of ethics/conduct and conflict of interest policies is fundamental to the integrity of the procurement process.

Montgomery County Board of Education PROCUREMENT PLAN

The Montgomery County Board of Education (herein after referred to as the School Food Authority (SFA) plan for procuring goods and services for use in the School Nutrition Program is described in detail herein. The plan includes all Federal food-assistance programs administered by the SFA. Adhering with the procurement plan is intended to ensure free and open competition, in an environment that promotes transparency in all transactions, documented comparability for ethical decision-making, and adequate documentation to substantiate the allowable use of School Nutrition funds.

Part I: Code of Ethics/Conduct governing the procurement of goods and services using School Nutrition Funds

- A. The following conduct will be expected of all persons who are engaged in the award and administration of contracts supported by School Nutrition funds.
 1. No employee, officer or agent of the Local Education Agency (LEA) shall participate in the development of a solicitation, selection of a recipient, and/or administration of a contract supported by School Nutrition funds if a conflict of interest, real or apparent, would be involved.
 2. Conflicts of interest arise when a member of the LEA or SFA has a financial or other interest in the contractor selected for the award, conflicts of interest would include:
 - a. Any employee, officer or agent of the contractor;
 - b. Any member of the immediate family of the contractor;
 - c. The contractor's partner; and/or
 - d. An organization which employs or is about to employ one of the above.
 3. Employees, officers or agents of the LEA and SFA shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, potential contractors, or parties to sub-agreements. (*Note: the SFA may establish local policy indicating School Nutrition personnel may accept an unsolicited item of nominal value where the exact value is established and recorded in this procurement plan or participate in a group event where the financial interest is not significant and the event is open to all attendees or participants.)
 4. It is acknowledged that the penalty for violation of the Code of Ethics/Conduct may include any of the following:
 - a. Reprimand by Board of Education; or
 - b. Dismissal by Board of Education; or
 - c. Any legal action necessary.

- B. The Montgomery County Board of Education Code of Ethics and Conflict of Interest Policies are shown in Attachment A.

Part II: Procurement Methods used to Purchase Goods and Services using School Nutrition funds

A combination of formal and informal purchasing methods will be used to procure all goods and services on behalf of the non-profit School Food Authority (SFA). Formal purchasing methods will include the use of an Invitation for Bid (IFB) or a Request for Proposal (RFP). As required by 2 CFR 200.317 – 200.326 and NC General Statute, Article 8, Chapter 143, formal purchasing methods will always be used for any purchase that exceeds the lesser of the State's small purchase threshold of \$90,000.00 or the SFA's board-approved small purchase or simplified acquisition threshold. For purchases below the lesser of the State's simplified acquisition threshold of \$90,000 or the board-approved simplified acquisition threshold, informal procurement procedures involving a documented Request for Quote (RFQ) will be utilized when seeking competitive pricing. Micro-purchase procedures as defined in 2 CFR 200.320 may be used for goods or services reflecting separate or aggregate purchases in an amount equal to or less than \$3,500.00 in aggregate on an annual basis. Non-competitive negotiation or sole source procurement, is rare and requires the prior written approval of the North Carolina Department of Public Instruction (NCDPI) prior to purchase and/or contract execution. Contracts will be awarded only to responsible contractors possessing the ability to perform successfully under the terms and conditions of the base solicitation; consideration will be given to such matters as contractor integrity, compliance with public policy, record of past performance and financial and technical resources. All procurement transactions (formal, informal, sole source and emergency) will be thoroughly documented and available for review and/or audit by Federal, State and local authorities upon request.

The SFA will make all efforts to avoid the acquisition of unnecessary or duplicative items. Where appropriate, an analysis will be made of lease versus purchase alternatives, and any other appropriate analysis to determine the most economical approach, including purchases made using existing contracts that were competitively procured by the State of North Carolina and in accordance with State General Statute. Where feasible, the SFA will consider the purchase of gently-used or surplus equipment in lieu of purchasing new equipment.

Overly-prescriptive specifications will be avoided to promote competition. When it is impractical to make a clear, definitive description, a "brand name or equivalent" description will be used as a means to define a product or service. In this case, the specific features of the named brand, which must be met by contractors, must be clearly stated. In order to ensure objective contractor performance, any potential contractor that develops or drafts specifications, requirements, statements of work or other solicitation documents or resources, will be excluded from competing for such procurements. All solicitation documents will identify the specific requirements which the contractor must fulfill and any other factors that will be considered when evaluating quotes, bids, or proposals.

A. Formal Procurement Methods

Formal methods of procurement including an Invitation for Bid (IFB) or a Request for Proposal (RFP) will be used for any and all purchases in excess of the SFA's simplified acquisition (or small purchase) threshold OR the State simplified acquisition (or small purchase) threshold of \$90,000.00, whichever is less.

The SFA's Simplified Acquisition Threshold is \$90,000.00; this amount will be used to determine whether formal or informal purchasing methods will be used.

Formal procurement methods will be applied on the basis of a/an:

- * Centralized or administrative office purchase
- * Individual school purchase
- * Multi-School systems purchases
- * Previously competitively-procured State contract
- * Combination of above (specify):

An IFB will be used when the sole criteria for awarding a contract to the most responsive, responsible bidder is the cost of goods or services. A RFP will be used when other factors, objective and subjective, will be used to award the contract. When using an RFP, cost will be a significant factor in the contract award along with other evaluation criteria. The specific evaluation criteria will be provided as part of the original solicitation to enable all potential contractors to clearly understand the basis of the award.

Given the potential to purchase more products and services above the SFA's Simplified Acquisition Threshold of \$90,000.00 using School Nutrition funds, it will be the responsibility of the School Nutrition Administrator to document the specific cost of a purchase to determine and document which formal procurement method will be used and the justification for doing so.

The School Nutrition Administrator will perform a cost analysis for every procurement action in excess of the SFA's simplified acquisition threshold where formal procurement methods will be used; the documentation of the cost analysis will be kept on file with other procurement documents and will be subject to review and/or audit.

When a formal procurement method is required, the following procedures shall apply:

1. A public advertisement is required to solicit bids or proposals for all purchases over the Local Education Agency's (LEA) simplified acquisition (or small purchase) threshold of \$90,000.00. The announcement (advertisement or legal notice) will contain a general description of items to be purchased; specific procedures for submission of a bid or proposal; deadline for submission of sealed bids or proposals and the address where complete specifications and bid/proposal instructions may be obtained and the contact person to whom questions may be

addressed.

An announcement of an Invitation for Bid (IFB) or a Request for Proposal (RFP) will be placed in the name of Major Newspaper/media, IPS Website, other widely publicized communication to publicize the intent of the School Food Authority to purchase needed items. The legal notice of advertisement for bids/proposals will be run in these media outlets for five days.

2. In an IFB or RFP, each vendor will be given an opportunity to submit a bid or proposal using the same complete, adequate and realistic specifications.
3. Specifications will be developed and provided to all potential contractors desiring to submit bids or proposals for the products or services requested. Vendors will be selected to receive the solicitation using the following methods:
 - a. Prior acceptable service with the SFA.
 - b. Quality of products.

Any party that assists the SFA in the development of the written specifications, product descriptions or services to be provided, will be disqualified from submitting bids or proposals for such products or services. Potential vendors are prohibited from developing or assisting in the development of specifications, product descriptions or services to be provided.

4. If any potential vendor is in doubt as to the true meaning of the specifications or purchase conditions, an interpretation will be provided by School Nutrition Administrator. If a single vendor requests clarification on an item in an IFB, RFP, or other solicitation, a response will be provided to all potential vendors that originally requested and/or received the solicitation.

- C. The SFA and its contractors shall comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource

recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

Such checks shall include an annual check of the State Sex Offender and Public Protection Registration Program, the State Sexually Violent Predator Registration Program, and the National Sex Offender Registry. The vendor shall not assign any employee or agent to provide services pursuant to this contract if (1) said worker appears on any of the listed registries; (2) said worker has been convicted of a felony; (3) said worker has been convicted of any crime, whether misdemeanor or felony, involving sex, violence, or drugs; or (4) said worker has engaged in any crime or conduct indicating that the worker may pose a threat to the safety or well-being of student or school personnel. The Montgomery County Board of Education reserves the right to prohibit any individual employee of the vendor from providing services on Montgomery County Board of Education property or at any Montgomery County Board of Education events if Montgomery County Board of Education determines, in its sole discretion, that such employee poses a threat to the safety or well-being of students, school personnel or others.
- E. The SFA must agree to abide with the IRAN DIVESTMENT ACT (as modified). N.C.G.S. 147- 86.59 which stipulates that before entering into any contact, the SFA must determine whether the contracting entity appears on the State Treasurer's List of Prohibited Vendors. The list is routinely updated by the Office of the State Treasurer. You can access the list at:

<https://www.nctreasurer.com/inside-the-department/OpenGovernment/Pages/Iran-Divestment-Act-Resources.aspx>

The Final Divestment List includes the names of vendors who appear to be engaged in "investment activities in Iran" based on Federal sanctions and other publicly available credible information. Vendors that appear on this list are ineligible to contract with the State of North Carolina or any subdivision of the State, including the School Nutrition Program. Prior to entering into a contract with a vendor, the SFA will check the Iran Final Divestment List to determine the potential vendor does not appear on the list. If however, the vendor does appear on the list, the SFA is prohibited from doing business with the vendor as required by N.C.G.S. 143-6A-4.

The SFA will document that any vendor with whom they enter into a contract does not appear on this list. To document this requirement, the SFA will print a copy of the most

current Iran Final Divestment List as it appears on the State Treasurer's website, print the one-page document and attach it to the solicitation document/contract prior to executing the contract. \

- F. Should the Montgomery County Board of Education BOD determine it is in the best interest of the SFA to outsource the preparation of meals to a qualified catering company, the SFA agrees to notify the department before procuring the services of a catering company and to use the NC Department of Public Instruction's (NCDPI) RFP Template/Contract to solicit, evaluate, negotiate and contract with the successful vendor.
- G. Should the Montgomery County Board of Education determine it is in the best interest of the SFA to seek a for-profit Management Company to operate its non-profit School Nutrition Program, the Montgomery County Board of Education shall notify the NCDPI of its intent to outsource the program no later than six months prior to the desired date of the contract. Further, the LEA agrees to and agrees to use the solicitation/contract template required by the NCDPI and shall comply with the State and Federal guidelines for contracting with Management Companies. The BOE further agrees to appoint a qualified employee of the LEA to monitor the contract between the LEA and the Management Company on daily basis.

Part VII: Contract Oversight

- A. The School Nutrition Administrator shall designate an individual by name and title who will oversee each contract using School Nutrition funds to ensure all terms, conditions and deliverables are adhered to in a manner that is consistent with the contract.
- B. Each contract will be monitored on a frequency that is established at the beginning of the contract period; any failure of the contractor to abide with the terms and conditions of the contract will be reported to the School Nutrition Administrator immediately and immediate, documented corrective action will be required and/or contract termination proceedings will begin.
- C. The SFA alone will be responsible, in accordance with good administrative practice and sound business judgment, of the settlement of all contractual and administrative issues arising out of procurements using School Nutrition funds. These issues include, but are not limited to, source evaluation, protests, disputes and claims. These standards do not relieve the SFA of any contractual responsibilities under its contracts.
- D. It is understood by the SFA and LEA that neither the US Department of Agriculture nor the North Carolina Department of Public Instruction will substitute their judgment for that of the SFA and LEA unless the matter is primarily a Federal or State concern. Violations of law will be referred to the local, State, or Federal authority having proper jurisdiction.

(Name of LEA) Board of Education/Board of Directors

A board member is involved in making a contract if he or she participates in the development of the specifications or terms of the contract or participates in the preparation or award of the contract.

A board member derives a direct benefit from a contract if the board member or his or her spouse does any of the following: (1) has more than a 10 percent ownership or other interest in an entity that is a party to the contract; (2) derives any income or commission directly from the contract; or (3) acquires property under the contract. An exception is allowed for employment contracts between the board of education and the spouse of a board member.
