I have enclosed a letter dated September 10, 2014, from Anderson Smith & Wike PLLC pertaining to Adult Meal Prices. It states that for the year ending June 30, 2014, they calculated that the price charged for an adult meal was 13 cents less than the cost to produce the meal. They recommended that the Board consider raising the price of adult meals or switching to a-la-carte adult meal prices to correct this issue. Currently our adult meal price is \$3.00 per plate.

Based on this finding and continued increases in the cost to produce a meal, I recommend approval of switching to a-la-carte pricing for all adult meals.

I will be happy to answer any questions you may have.
