

Camp Timberwolf

July 22-25, 2019

Why Camp Timberwolf?

In preparation for the opening of the new CTE Career Center and Montgomery Central High School, Montgomery County Schools will be offering a weeklong summer “STEAM” (Science, Technology, Engineering, Arts, Mathematics) camp for rising 8th and 9th graders.

The MCS Transition Committee is working to create the culture of Montgomery Central. This camp is an opportunity for students to begin developing friendships and leadership skills that will help form a culture of success and collaboration.

Camp Timberwolf will highlight all the exciting educational opportunities available for students. We are currently adding program area projects.

Camp Timberwolf

Completely free

- Transportation
- Meals
- Resources and Supplies

Project based

- “STEAM” focused learning opportunities
- Aligned with courses that will be offered at MCHS, MCC and the Career Center

Future focused

- Assist students to formulate plans to accomplish their personal goals

Annual Event

- Camp Timberwolf will serve rising 8th and 9th grade students this year
- Camp Timberwolf will serve rising 8th grade students for future events

Daily Schedule

8:00 – 8:15

- Breakfast

8:15 – 9:00

- Whole Camp Teambuilding Activity

9:00 – 11:45

- Project Groups 1 – 10: Attend Industry Visit/Guest Speaker
- Project Groups 11 – 20: Attend Project Session

11:45 – 12:15

- Lunch

12:15 – 3:00

- Project Groups 1 – 10: Attend Project Session
- Project Groups 11 – 20: Attend Industry Visit/Guest Speaker

Student Grouping

To facilitate student interactions, students will be grouped in two different groups on a daily basis:

- Teams

Students will be grouped into teams to allow for team building exercises and leadership development. This grouping will be strategically developed to ensure students interact with cross-county peers.

- Project Groups

Students will be grouped into project groups based upon their interest in the projects developed by teachers. Students will be able to select project ideas based upon their personal interests.

Current Project Ideas – Design and Build

- Bridge Building – Engineering
- Theatre World – Arts
- It's Tee Time – Arts
- Talking with Robots – Mathematics and Engineering
- Animal Talk, but only to those that Listen! – Science
- Capture and Create History – Technology and Arts
- Graphic Design
- Coding is Cool – Technology and Mathematics

Industry Knowledge

Students will gain an understanding of the available careers in Montgomery County. Knowledge about future career options will lead to better planning and course selections.

- Industry visits will allow students to see first hand what Montgomery County has to offer them.
- Industry speakers can inform students of the needs of the local industries and discuss their business. This will lead students to be career minded and make decisions that will lead to a high wage, high skill position within the county.
- Tours of Montgomery Community College, the new CTE Career Center, and Montgomery Central High School. These tours will allow students to see what the county is creating and how it will lead them to a successful future.

CAMP

TIMBERWOLF

Attention Rising 8th and 9th Graders

In preparation for the opening of the Joseph Reese Blair Career and Technical Education Center and Montgomery Central High School, Montgomery County Schools will be offering a weeklong summer "STEAM" (Science, Technology, Engineering, Arts, Mathematics) camp for rising 8th and 9th graders. Camp Timberwolf will highlight all the exciting educational opportunities available for students.

This camp is an opportunity for students to begin developing friendships, learning leadership skills and developing a career awareness that will help guide their decisions as they prepare to design a plan for their future.

April 10, 2019

Attention Middle School and High School Teachers (All Subject Areas):

In preparation for the opening of the new CTE Career Center and Montgomery Central High School, Montgomery County School will be offering a weeklong summer “STEAM” (Science, Technology, Engineering, Arts, Mathematics) camp for rising 8th and 9th graders. Camp Timberwolf will highlight all the exciting educational opportunities available for students.

Please fill out the Google form on the district webpage by April 18 if you are interested being part of Camp Timberwolf and offering a STEAM related course. This is an excellent way to recruit students, advertise your program, and/or share a topic of interest. Funds are available for instructional supplies and local field trips. All teachers are encouraged to develop a course that excite students and encourages academic inquiry!
