# PROHIBITION AGAINST DISCRIMINATION, HARASSMENT, AND BULLYING

Policy Code: 1710/4021/7230

The board acknowledges the dignity and worth of all students and employees and strives to create a safe, orderly, caring, and inviting school environment to facilitate student learning and achievement. The board prohibits discrimination on the basis of race, color, national origin, sex, disability, or age and will provide equal access to the Boy Scouts and other designated youth groups as required by law. The board will not tolerate any form of unlawful discrimination, harassment, or bullying in any of its educational or employment activities or programs. Any violation of this policy will be considered serious and school officials shall promptly take appropriate action to address the violation.

## A. PROHIBITED BEHAVIORS ~~AND CONSEQUENCES~~

### ~~1. Discrimination, Harassment, and Bullying~~

Students, school system employees, volunteers, and visitors are expected to behave in a civil and respectful manner. The board expressly prohibits unlawful discrimination, harassment, and bullying by students, employees, board members, volunteers, or visitors. “Visitors” includes parents and other family members and individuals from the community, as well as vendors, contractors, and other persons doing business with or performing services for the school system.

Students are expected to comply with the behavior standards established by board policy, ~~and~~ the Code of Student Conduct, and school and classroom rules. Employees are expected to comply with board policy, ~~and~~ school system regulations, and school rules. Volunteers and visitors on school property also are expected to comply with board policy, school system regulations, and ~~established~~ school rules and procedures.

This policy applies to behavior that takes place: (1) in any school building or on any school premises before, during or after school hours; (2) on any bus or other vehicle as part of any school activity; (3) at any bus stop; (4) during any school-sponsored activity or extracurricular activity; (5) at any time or place when the individual is subject to the authority of school personnel; or (6) at any time or place when the behavior has a direct and immediate effect on maintaining order and discipline in the schools.

~~Any violation of this policy is serious and school officials shall promptly take appropriate action.~~

~~Students will be disciplined in accordance with the school’s student behavior management plan (see policy 4302, School Plan for Management of Student Behavior). Based on the nature and severity of the offense and the circumstances surrounding the incident, the student will be subject to appropriate consequences and remedial actions ranging from positive behavioral interventions up to, and~~

~~including, expulsion~~

~~Employees who violate this policy will be subject to disciplinary action, up to, and including, dismissal.~~

~~Volunteers and visitors who violate this policy will be directed to leave school property and/or reported to law enforcement, as appropriate, in accordance with policy 5020, Visitors to the Schools.~~

~~When considering if a response beyond the individual level is appropriate, school administrators should consider the nature and severity of the misconduct to determine whether a classroom, school-wide, or school-system wide response is necessary. Such classroom, school-wide, or school-system wide responses may include staff training, harassment and bullying prevention programs, and other measures deemed appropriate by the superintendent to address the behavior.~~

## ~~2. Retaliation~~

~~The board prohibits reprisal or retaliation against any person for reporting or intending to report violations of this policy, supporting someone for reporting or intending to report a violation of this policy, or participating in the investigation of reported violations of this policy.~~

~~After consideration of the nature and circumstances of the reprisal or retaliation and in accordance with applicable federal, state or local laws, policies, and regulations, the superintendent or designee shall determine the consequences and remedial action for a person found to have engaged in reprisal or retaliation.~~

## ~~B. APPLICATION OF POLICY~~

~~This policy prohibits unlawful discrimination, harassment, and bullying by students, employees, volunteers, and visitors. “Visitors” includes persons, agencies, vendors, contractors, and organizations doing business with or performing services for the school system.~~

~~This policy applies to behavior that takes place:~~

- ~~1. in any school building or on any school premises before, during or after school hours;~~
- ~~2. on any bus or other vehicle as part of any school activity;~~
- ~~3. at any bus stop;~~
- ~~4. during any school-sponsored activity or extracurricular activity;~~

~~5. at any time or place when the individual is subject to the authority of school personnel; and~~

~~6.1. at any time or place when the behavior has a direct and immediate effect on maintaining order and discipline in the schools.~~

~~7. By the way of inclusion, but not limitation, this policy applies to the use of computers, text messaging, cell phones, or other medium in a manner that materially and substantially interferes with the requirements of appropriate discipline in the operation of the schools~~

## **C.B. DEFINITIONS**

For purposes of this policy, the following definitions apply:

### **1. Discrimination**

Discrimination means any act or failure to act, whether intentional or unintentional, that unreasonably and unfavorably differentiates treatment of others based solely on their membership in a socially distinct group or category, such as race, ethnicity, sex, pregnancy, religion, age, or disability. ~~Discrimination may be intentional or unintentional.~~

### **2. Harassment and Bullying**

a. Harassment or bullying behavior is deliberate conduct intended to harm another person or group of persons. Such conduct violates this policy when any pattern of gestures or written, electronic, or verbal communications, or any physical act or any threatening communication ~~that~~:

- 1) places a student or school employee in actual and reasonable fear of harm to his or her person or damage to his or her property; or
- 2) creates or is certain to create a hostile environment by substantially interfering with or impairing a student's educational performance, opportunities, or benefits or by adversely altering the conditions of an employee's employment.

“Hostile environment” means that the victim subjectively views the conduct as harassment or bullying and that the conduct is objectively severe or pervasive enough that a reasonable person would agree that it is harassment or bullying. A hostile environment may be created through pervasive or persistent misbehavior or a single incident, if sufficiently severe.

Harassment and bullying include, but are not limited to, behavior described above that is reasonably perceived as being motivated by any actual or

perceived differentiating characteristic or motivated by an individual's association with a person who has or is perceived to have a differentiating characteristic, such as race, color, religion, ancestry, national origin, gender, socioeconomic status, academic status, gender identity, physical appearance, sexual orientation, or mental, physical, developmental, or sensory disability. Examples of behavior that may constitute bullying or harassment include, but are not limited to, acts of disrespect, intimidation, or threats, such as verbal taunts, name-calling and put-downs, epithets, derogatory comments or slurs, lewd propositions, exclusion from peer groups, extortion of money or possessions, implied or stated threats, assault, impeding or blocking movement, offensive touching, or any physical interference with normal work or movement, and visual insults, such as derogatory posters or cartoons. Harassment and bullying may occur through electronic means ("cyberbullying"), such as through the Internet, emailing, or text messaging, or by use of personal websites to support deliberate and repeated behavior intended to cause harm to persons or groups. Legitimate age-appropriate pedagogical techniques are not considered harassment or bullying.

Harassment, including sexual or gender-based harassment, as described below, is not limited to specific situations or relationships. It may occur between fellow students or co-workers, between supervisors and subordinates, between employees and students, or between non-employees, including visitors, and employees or students. Harassment may occur between members of the opposite sex or the same sex.

- b. Sexual harassment is ~~a form one type~~ of harassment that violates this policy. Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when:
- 1) submission to the conduct is made, either explicitly or implicitly, a term or condition of an individual's employment, academic progress, or completion of a school-related activity;
  - 2) submission to or rejection of such conduct is used as the basis for employment decisions affecting the individual, or in the case of a student, submission to or rejection of such conduct is used in evaluating the student's performance within a course of study or other school-related activity; or
  - 3) such conduct is sufficiently severe, persistent, or pervasive that it has the purpose or effect of (a) unreasonably interfering with an employee's work or performance or a student's educational performance, (b) limiting a student's ability to participate in or benefit from an educational program or environment, or (c) creating an abusive, intimidating, hostile, or offensive work or educational

environment.

Sexually harassing conduct includes, but is not limited to, deliberate, unwelcome touching that has sexual connotations or is of a sexual nature, suggestions or demands for sexual involvement accompanied by implied or overt promises of preferential treatment or threats, pressure for sexual activity, continued or repeated offensive sexual flirtations, advances or propositions, continued or repeated verbal remarks about an individual's body, sexually degrading words used toward an individual or to describe an individual, sexual assault, sexual violence, or the display of sexually suggestive drawings, objects, pictures, or written materials. Acts of verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex, but not involving sexual activity or language, may be combined with incidents of sexually harassing conduct to determine if the incidents of sexually harassing conduct are sufficiently serious to create a sexually hostile environment.

As provided in policy 4040/7310, Staff-Student Relations, employees are strictly prohibited from engaging in a romantic or sexual relationship with any student enrolled in the school system, whether or not the relationship is consensual. Such conduct is prohibited whether or not it constitutes sexual harassment.

- c. Gender-based harassment is also a type of harassment that violates this policy. Gender-based harassment may include acts of verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex or sex-stereotyping but not involving conduct of a sexual nature.

### **C. REPORTING AND INVESTIGATING COMPLAINTS OF DISCRIMINATION, HARASSMENT, OR BULLYING**

Any person who believes that he or she has been discriminated against, harassed, or bullied in violation of this policy by any student, employee, or other person under the supervision and control of the school system, or any third person who knows or suspects conduct that may constitute discrimination, harassment, or bullying, should inform a school official designated to receive such complaints, as described in policy 1720/4015/7225, Discrimination, Harassment, and Bullying Complaint Procedure.

Any employee who has witnessed, or who has reliable information that another person may have been subjected to discrimination, harassment, or bullying in violation of this policy has a duty to report such conduct in accordance with policy 1720/4015/7225. Employees who observe an incident of harassment or bullying are expected to intervene to stop the conduct in situations in which they have supervisory control over the perpetrator and it is safe to do so. If an employee knows of an incident involving discrimination, harassment, or bullying and the employee fails to report the conduct or take proper action or knowingly provides false information in regard to the incident, the employee will be subject to

disciplinary action up to, and including, dismissal.

~~Employees are required to report any actual or suspected violations of this policy. Students, parents, volunteers, visitors, or others are also strongly encouraged to report any actual or suspected incidents of discrimination, harassment, or bullying. All reports should be made in accordance with policy 1720/4015/7225, Discrimination, Harassment, and Bullying Complaint Procedure, and reported to one of the school officials identified in that policy.~~

Reports, except mandatory employee reports, may be made anonymously, and all reports ~~shall~~will be investigated in accordance with ~~that~~ policy 1720/4015/7225.

#### **D. RESPONDING TO OCCURRENCES OF DISCRIMINATION, HARASSMENT, OR BULLYING**

##### 1. Consequences for the Perpetrator

###### a. Disciplinary Consequences for Students

Students will be disciplined in accordance with the school's student behavior management plan (see policy 4302, School Plan for Management of Student Behavior). Based on the nature and severity of the offense and the circumstances surrounding the incident, the student will be subject to appropriate consequences and remedial actions ranging from positive behavioral interventions up to, and including, expulsion. In addition, the violation may also be reported to law enforcement, as appropriate.

Incidents of misbehavior that do not rise to the level of discriminatory harassment or bullying may violate acceptable standards of student behavior, including, but not limited to, the expectation that students will demonstrate civility and integrity in their actions and interactions with others. See policy 4310, Integrity and Civility. The consequences for such behavior will be consistent with applicable board policy and the Code of Student Conduct.

This policy will not be construed to allow school officials to punish student expression or speech based on undifferentiated fear or apprehension of a disturbance or out of a desire to avoid the discomfort and unpleasantness that may accompany an unpopular viewpoint.

###### b. Disciplinary Consequences for Employees

Employees who violate this policy will be subject to disciplinary action up to, and including, dismissal. In addition, the violation may also be reported to law enforcement, as appropriate. Nothing in this policy will preclude the school system from taking disciplinary action against an employee when the evidence does not establish unlawful discrimination, harassment, or

bullying, but the conduct otherwise violates board policy or expected standards of employee behavior.

c. Consequences for Other Perpetrators

Volunteers and visitors who violate this policy will be directed to leave school property and/or reported to law enforcement, as appropriate, in accordance with policy 5020, Visitors to the Schools. A third party under the supervision and control of the school system will be subject to termination of contracts/agreements, restricted from school property, and/or subject to other consequences, as appropriate.

2. Consideration of Need for More Extensive Response

School administrators shall consider whether the misconduct warrants more than just a response at the individual level. Given the nature and severity of the misconduct, the administrators may determine that a classroom, school-wide, or school system-wide response is necessary. Such classroom, school-wide, or school system-wide responses may include additional staff training, harassment and bullying prevention programs, and other measures deemed appropriate by the superintendent to address the behavior. The actions taken must be reasonably calculated to end the behavior, eliminate a hostile environment and its effects if one has been created, and prevent recurrence of the behavior.

3. Retaliation Prohibited

The board prohibits reprisal or retaliation against any person for (a) reporting or intending to report violations of this policy, (b) supporting someone for reporting or intending to report a violation of this policy, or (c) participating in the investigation of reported violations of this policy.

After consideration of the nature and circumstances of the reprisal or retaliation and in accordance with applicable federal, state, or local laws, policies, and regulations, the superintendent or designee shall determine the consequences and remedial action for a person found to have engaged in reprisal or retaliation.

## **D.E. TRAINING AND PROGRAMS**

The board directs the superintendent to establish training and other programs that are designed to ~~prevent help eliminate unlawful~~ discrimination, harassment, and bullying and to foster an environment of understanding and respect for all members of the school community. **Information about this policy and the related complaint procedure must be included in the training plan.**

As funds are available, the board will provide additional training for students, employees, and volunteers who have significant contact with students regarding the board's efforts to

address discrimination, harassment, and bullying and will create programs to address these issues. The training or programs should (1) provide examples of behavior that constitutes discrimination, harassment, or bullying; (2) teach employees to identify groups that may be the target of discrimination, harassment, or bullying; and (3) train school employees to be alert to locations where such behavior may occur, including locations within school buildings, at school bus stops, on cell phones, and on the Internet.

#### **E.F. NOTICE**

The superintendent is responsible for providing effective notice to students, parents, and employees of this policy and of the procedures for reporting and investigating complaints of discrimination, harassment, and bullying established in policy 1720/4015/7225, Discrimination, Harassment, and Bullying Complaint Procedure. The superintendent must ensure that each ~~school~~ principal provides a copy of this policy and policy 1720/4015/7225 to students, employees, and parents or other responsible care givers at the beginning of each school year. In addition, both policies must be posted on the school system website, and copies of the policies must be readily available ~~at each school and worksite in the principal's office, the media center at each school, and the superintendent's office~~. Notice of the policies must appear in all student and employee handbooks and in any school or school system publication that sets forth the comprehensive rules, procedures, and standards of conduct for students and employees.

#### **F.G. COORDINATORS**

The superintendent has appointed the following individuals to coordinate the school system's efforts to comply with and carry out its responsibilities under federal non-discrimination laws. These responsibilities include investigating any complaints communicated to school officials alleging noncompliance with Title VI or Title IX of the Civil Rights Act, Section 504 of the Rehabilitation Act, the Americans with Disabilities Act (ADA), the Age Discrimination Act, and/or the Boy Scouts Act, or alleging actions which would be prohibited by those laws.

The records must identify the names of all individuals accused of discrimination and the resolution of such complaints or reports. The superintendent also shall maintain records of training conducted and corrective action(s) or other steps taken by the school system to provide an environment free of discrimination, harassment, and bullying.

The superintendent shall report to the State Board of Education all verified cases of discrimination, harassment, or bullying. The report must be made through the Discipline Data Collection Report or through other means required by the State Board.

# DISCRIMINATION, HARASSMENT, AND BULLYING COMPLAINT PROCEDURE

Policy Code: 1720/4015/7225

The board takes seriously all complaints of unlawful discrimination, harassment, and bullying. The process provided in this policy is designed for those individuals who believe that they may have been discriminated against, bullied, or harassed in violation of policy 1710/4021/7230, Prohibition Against Discrimination, Harassment, and Bullying, or policy 1730/4022/7231, Nondiscrimination on the Basis of Disabilities. Individuals who have witnessed or who have reliable information that another person has been subject to unlawful discrimination, harassment, or bullying also should use the process provided in this policy to report such violations to one of the school system officials listed in subsection C.1. ~~of this policy.~~ In addition, the process in this policy should be used to report a violation of policy 4040/7310, Staff-Student Relations.

~~Reports~~Any report made through the process established in this policy may be made anonymously, except mandatory employee reports. The school system will ensure that institutional interests do not interfere with the impartiality of the process for investigating and resolving complaints established in this policy.

The process set forth in this policy does not apply to allegations regarding or related to the identification, evaluation, educational placement, or free appropriate public education of a student under Section 504 or the IDEA. Such allegations may be raised through the procedures established under policy 1730/4022/7231, Nondiscrimination on the Basis of Disabilities (for Section 504 complaints), or in accordance with the procedures described in the *Parents Rights Handbook* published by the NC Department of Public Instruction (for IDEA complaints).

## A. DEFINITIONS

### 1. Alleged Perpetrator

### 3. Complainant

The complainant is the individual complaining of being discriminated against, harassed, or bullied.

### 4. Days

Days are the working days, exclusive of Saturdays, Sundays, vacation days, or

holidays, as set forth in the school calendar. In counting days, the first day will be the first full working day following receipt of the complaint. When a complaint is submitted on or after May 1, time limits will consist of all weekdays (Monday – Friday) so that the matter may be resolved before the close of the school term or as soon thereafter as possible.

5. Investigative Report

The investigative report is a written account of the findings of the investigation conducted in response to a complaint.

6. Investigator

The investigator is the school official responsible for investigating and responding to the complaint. The investigator must be a person free of actual or reasonably perceived conflicts of interest and biases for or against any party.

7. Report

A report is an oral or written notification that an individual, other than the reporter, is a suspected perpetrator or victim of unlawful discrimination, harassment, or bullying.

**B. REPORTING BY EMPLOYEES OR OTHER THIRD PARTIES**

1. Mandatory Reporting by School Employees

Any employee who witnessed or who has reliable information or reason to believe that a student or other individual may have been discriminated against, harassed, or bullied in violation of policy 1710/4021/7230 or policy 1730/4022/7231 must report the offense immediately to an appropriate individual designated in subsection C.1., below. Suspected violations of policy 4040/7310, Staff-Student Relations, should be reported directly to the superintendent or designee. An employee who does not promptly report possible discrimination, harassment, or bullying or violations of policy 4040/7310 shall be subject to disciplinary action.

At the option of the alleged victim, the report may be treated as a complaint by the alleged victim under this policy.

### C. COMPLAINTS BROUGHT BY ALLEGED VICTIMS OF DISCRIMINATION, HARASSMENT, OR BULLYING

Complaints submitted after the 30-day period may be investigated; however, individuals should recognize that delays in reporting may significantly impair the ability of school officials to investigate and respond to such complaints.

### 3. Informal Resolution

The board acknowledges that many complaints may be addressed informally without a full investigation and/or hearing, through such methods as conferences or mediation. The board encourages the use of informal procedures such as mediation to the extent possible in appropriate cases and when all parties voluntarily agree after receiving a full disclosure of the allegations and the option for formal resolution; however, mediation or other informal procedures will not be used to resolve complaints alleging sexual assault or sexual violence, complaints by a student of sexual harassment perpetrated by an employee, or when otherwise deemed inappropriate by the investigator or applicable civil rights coordinator. ~~Informal procedures may be used only if the parties involved voluntarily agree.~~

If an informal process is used, the principal or other designated personnel must (1) notify the complainant that he or she has the option to end the informal process and begin formal procedures at any time and (2) make a copy of this policy and other relevant policies available to the complainant. Any informal process should be completed within a reasonable period of time, not to exceed 30 days unless special circumstances necessitate more time. If informal procedures fail to resolve the matter in a reasonable period of time or are inappropriate, or if the complainant requests formal procedures, the complaints will be investigated promptly, impartially, and thoroughly according to the procedures outlined in the remainder of this policy.

## **D. PROCESS FOR ADDRESSING COMPLAINTS OF ALLEGED INCIDENTS OF DISCRIMINATION, HARASSMENT, OR BULLYING**

### 1. Initiating the Investigation

- a. Whoever receives a complaint of discrimination, harassment, or bullying pursuant to subsection C.1- shall immediately notify the appropriate investigator who shall respond to the complaint and investigate. The investigator of a complaint is ordinarily determined as follows; however, the superintendent may determine that individual circumstances warrant the assignment of a different investigator.
- 1) If the alleged incident occurred under the jurisdiction of the principal, the investigator is the principal or designee, unless the alleged perpetrator is the principal, the assistant superintendent of human resources, the superintendent, or a member of the board. If the alleged perpetrator is any other employee, the principal or designee shall conduct the investigation in consultation with the assistant superintendent of human resources or designee.
  - 2) If the alleged perpetrator is the principal, the assistant superintendent of human resources or designee is the investigator.
  - 3) If the alleged incident occurred outside of the jurisdiction of a principal (for example, at the central office), the assistant superintendent of human resources or designee is the investigator unless the alleged perpetrator is the assistant superintendent of human resources, the superintendent, or a member of the board.
  - 4) If the alleged perpetrator is the assistant superintendent of human resources, the superintendent or designee is the investigator.
  - 5) If the alleged perpetrator is the superintendent, the board attorney is the investigator. (In such cases, whoever receives a complaint of discrimination, harassment, or bullying shall immediately notify the assistant superintendent of human resources who shall immediately notify the board chair. The board chair shall direct the board attorney to respond to the complaint and investigate.)
  - 6) If the alleged perpetrator is a member of the board, the board attorney is the investigator. (In such cases, whoever receives a complaint of discrimination, harassment, or bullying shall immediately notify the superintendent who shall direct the board attorney to respond to the complaint and investigate. Unless the board chair is the alleged perpetrator, the superintendent shall also notify the board chair of the complaint.)
- b. As applicable, the investigator shall immediately notify the Title IX, Section 504, ADA, or other relevant coordinator of the complaint, and, as appropriate, may designate the coordinator to conduct or assist with the investigation.

- c. The applicable coordinator and the investigator shall jointly assess the need for interim measures of support for either party and, as necessary, shall implement appropriate measures in a timely manner and monitor the effectiveness of the measures during the pendency of the investigation. Interim measures that restrict the ability of either party to discuss the investigation (“gag orders”) may not be used.
- e.d. The investigator shall explain the process of the investigation to the complainant and inquire as to whether the complainant would like to suggest a course of corrective action.
- d.e. Written documentation of all reports and complaints, as well as the school system’s response, must be maintained in accordance with policy 1710/4021/7230.
- e.f. Failure to investigate and/or address claims of discrimination, harassment, or bullying shall result in disciplinary action.

## 2. Conducting the Investigation

The investigator is responsible for determining whether the alleged act(s) constitutes a violation of policy 1710/4021/7230, policy 1730/4022/7231, or policy 4040/7310. In so doing, the investigator shall impartially, promptly, and thoroughly investigate the complaint. In complaints alleging sexual misconduct between students, each party will receive notice and access to information consistent with guidance from the U.S. Department of Education, Office for Civil Rights.

- a. ~~The investigator is responsible for determining whether the alleged act(s) constitutes a violation of policy 1710/4021/7230 or policy 1730/4022/7231. In so doing, the investigator shall impartially, promptly, and thoroughly investigate the complaint.~~ The investigator shall interview all individuals who may have relevant information, including (1) the complainant; (2) the alleged perpetrator(s); (3) individuals identified as witnesses by the complainant or alleged perpetrator(s); and (4) any other individuals, including other possible victims, who may have relevant information. The investigation will include a review of all evidence presented by the complainant or alleged perpetrator.
- b. If the investigator, after receipt of the complaint, an interview with the complainant, and consultation with the board attorney, determines that the allegations submitted, even if factual, do not constitute discrimination, harassment, or bullying as defined in policy 1710/4021/7230 or policy 1730/4022/7231, school officials will address the matter outside the scope of this policy. Information regarding the investigator’s determination and

the process for addressing the complaint will be provided to the complainant.

b.c. The complaint and investigation will be kept confidential to the extent possible. Information may be shared only with individuals who need the information in order to investigate and address the complaint appropriately and those with a legal right to access the information. Any requests by the complainant for further confidentiality will be evaluated within the context of the legal responsibilities of the school system. Any complaints withdrawn to protect confidentiality must be recorded in accordance with policy 1710/4021/7230.

e.d. The investigator shall review the factual information gathered through the investigation to determine whether, based on a preponderance of the evidence, the alleged conduct constitutes discrimination, harassment, or bullying, giving consideration to all factual information, the context in which the alleged incidents occurred, the age, and maturity of the complainant and alleged perpetrator(s), and any other relevant circumstances. The investigator shall submit a written investigative report to the superintendent and, as applicable, to the Title IX, Section 504, ADA, or other coordinator.

### 3. Notice to Complainant and Alleged Perpetrator

- a. The investigator shall provide written notification to the complainant of the results of the investigation within 15 days of receiving the complaint, unless additional time is necessary to conduct an impartial, thorough investigation. The investigator shall specify whether the complaint was substantiated and, if so, shall also specify:
  - 1) reasonable, timely, age-appropriate, corrective action intended to end the discrimination, harassment, or bullying, and prevent it from recurring;
  - 2) as needed, reasonable steps to address the effects of the discrimination, harassment, or bullying on the complainant; and
  - 3) as needed, reasonable steps to protect the complainant from retaliation as a result of communicating the complaint.
- b. If required by federal law, information regarding specific disciplinary action imposed on the alleged perpetrator(s) will be given to the complainant, such as when the information relates directly to the complainant (e.g., an order requiring the perpetrator not to have contact with the complainant). School officials are encouraged to consult with the superintendent and board attorney before releasing such information,

however.

- c. If the investigator determines that the complaint was substantiated, the perpetrator(s) shall be subject to discipline or other corrective steps, as described in policy 1710/4021/7230. If the corrective steps involve actions outside the scope of the investigator's authority, the superintendent will be notified so that responsibility for taking the corrective steps may be delegated to the appropriate individual.
- d. Each alleged perpetrator will be provided with a written summary of the results of the investigation in regard to whether the complaint was substantiated, whether the alleged perpetrator violated relevant law or board policies by his or her actions, and what, if any, disciplinary actions or consequences will be imposed upon the perpetrator in accordance with board policy. The perpetrator may appeal any disciplinary action or consequence in accordance with board policy and law. However, an appeal by the perpetrator of disciplinary action does not preclude school officials from taking appropriate action to address the discrimination, harassment, or bullying.

#### 4. Appeal

- a. If the complainant is dissatisfied with the results of the investigation, he or she may appeal the decision to the superintendent (unless the alleged perpetrator is the assistant superintendent of human resources or the superintendent, in which cases the complainant may appeal directly to the board in accordance with the procedure described in subsection D.4.b below). The appeal must be submitted in writing within five days of receiving the notice of the results of the investigation. The superintendent may review the documents, conduct any further investigation necessary, or take any other steps the superintendent determines to be appropriate in order to respond to the complaint. The superintendent shall provide a written response within 10 days after receiving the appeal, unless further investigation is needed.
- b. If the complainant is dissatisfied with the superintendent's response, he or she may appeal the decision to the board within five days of receiving the superintendent's response. The board will review the documents, direct that further investigation be conducted if necessary, and take any other steps that the board determines to be appropriate in order to respond to the complaint. Upon request of the complainant, the board will hold a hearing pursuant to policy 2500, Hearings Before the Board. The board will provide a written response within 30 days after receiving the appeal, unless further investigation is necessary or the hearing necessitates that more time be taken to respond.

**E. TIMELINESS OF PROCESS**

The school system will make a good faith effort to conduct a fair, impartial investigation in a timely manner designed to provide all parties with a prompt and equitable resolution.

The number of days indicated at each step of the process should be considered a maximum. Every effort should be made to expedite the process. The school system reserves the right to extend any deadline contained in this policy for good cause with written notice to the parties of the delay and the reason for the delay.

If any school official charged with investigating the complaint or reviewing the investigation fails at any step in the process to communicate a decision within the specified time limit, the complainant will be entitled to appeal the complaint to the next step unless the official has notified the complainant of the delay and the reason for the delay, such as the complexity of the investigation, review, or report. The school official shall make reasonable efforts to keep the complainant apprised of progress being made during any period of delay. Delays that interfere with the exercise of any legal rights are not permitted.

Failure by the complainant at any step in the process to appeal a complaint to the next step within the specified time limit will be considered acceptance of the decision at that step, unless the complainant has notified the investigator of a delay and the reason for the delay and the investigator has consented in writing to the delay.

**F. GENERAL REQUIREMENTS**

1. No reprisals or retaliation of any kind will be taken by the board or by an employee of the school system against the complainant or other individual on account of his or her filing a complaint or report or participating in an investigation of a complaint or report filed and decided pursuant to this policy, unless the person knew or had reason to believe that the complaint or report was false or knowingly provided false information.
2. All meetings and hearings conducted pursuant to this policy will be private.
3. The board and school system officials will consider requests to hear complaints from a group, but the board and officials have the discretion to hear and respond to complainants individually.
4. The complainant may be represented by an advocate, such as an attorney, at any meeting with school system officials. Should the complainant choose to be represented by an attorney, the complainant should notify school officials in advance so that an attorney for the school system may also be present.
5. Should, in the judgment of the superintendent or designee, the investigation or processing of a complaint require that an employee be absent from regular work assignments, such absences shall be excused without loss of pay or benefits. This

shall not prevent the superintendent or designee from suspending the alleged perpetrator without pay during the course of the investigation.

In order to help fulfill the educational goals and objectives of the school system, the board strives to provide instructional materials that will enrich and support the curriculum and enhance student learning. Instructional materials should be representative of the rich diversity of our nation and appropriate for the maturity levels and abilities of the students.

Instructional materials constitute all materials, whether print, non-print, digital or any combination thereof, used in the instructional program. For purposes of this policy, instructional materials will be divided into two categories: textbooks and supplementary materials.

**A. SELECTION OF TEXTBOOKS**

Textbooks are systematically organized materials comprehensive enough to cover the primary objectives outlined in the current statewide instructional standards for a grade or course. Formats for textbooks may be print, non-print or digital media, including hardbound books, softbound books, activity-oriented programs, classroom kits and technology-based programs or materials that require the use of electronic equipment in order to be used in the learning process. Technology-based programs may include subscription or web-based materials.

State-approved textbooks will be used as the primary means to help students meet the goals and objectives of the current statewide instructional standards, unless the board approves alternative materials. The central curriculum committee or a school through its school improvement plan may submit a request for the use of alternative textbooks. The request should identify how the committee or school has ensured that the curriculum will continue to be aligned with the current statewide instructional standards and to meet the educational goals of the board.

**B. SELECTION OF SUPPLEMENTARY MATERIALS**

Supplementary materials are instructional and learning resources which are selected to complement, enrich or extend the curriculum. Such resources include, for example, specialized materials selected to meet diverse needs or rapidly changing circumstances, library materials, digital resources, the school system's media collection, classroom collections and teacher-selected resources for individual classes.

**1. Objectives for Selection of Supplementary Materials**

The procurement of materials must be accomplished in accordance with law, including the First Amendment of the United States Constitution; board educational goals; board purchasing and accounting policies; and established selection guidelines, including the Library Bill of Rights of the American Library Association. The objectives for the selection of supplementary materials are as follows:

- a. to provide a wide range of materials that will enrich and support the curriculum, taking into consideration the individual needs and varied interests, abilities, socio-economic backgrounds, learning styles and developmental levels of the students served;
- b. to provide materials that will stimulate growth in factual knowledge, literary appreciation, aesthetic values and ethical standards;
- c. to provide a background of information that will enable students to comprehend their role as citizens in society and to make intelligent judgments in their daily lives;
- d. to provide resources representing various points of view on controversial issues so that students as young citizens may develop, under guidance, the skills of critical thinking and critical analysis;
- e. to provide resources representative of the many religious, ethnic and cultural groups in our nation and the contributions of these groups to our American heritage; and
- f. to place principle above personal opinion and reason above prejudice in the selection of material of the highest quality in order to ensure a comprehensive collection appropriate for all users.

## 2. Process and Criteria for Selecting Supplementary Materials

The responsibility for the selection of supplementary materials is delegated to the professional staff under the direction of the superintendent and will be made primarily at the school level with the involvement of a school media and technology advisory committee. The committee shall be appointed by the principal and will include teachers and instructional support personnel representing various subject areas and grade levels, parents, and, if on-staff in the school, the library media coordinator and the technology facilitator. Students also should be involved when feasible.

The selection process used by the committee will include: (1) an evaluation of the existing collection; (2) an assessment of the available resource and curriculum needs of the school; and (3) consideration of individual teaching and learning styles. In coordinating the selection of resources, the committee should use reputable, unbiased selection tools prepared by professional educators and should arrange, when possible, for firsthand examination of resources to be purchased. When examining proposed materials, the committee should consider the following factors:

- a. the material's overall purpose, educational significance and direct

relationship to instructional objectives and the curriculum and to the interests of the students;

- b. the material's reliability, including the extent to which it is accurate, authentic, authoritative, up-to-date, unbiased, comprehensive and well-balanced;
- c. the material's technical quality, including the extent to which technical components are relevant to content and consistent with state-of-the-art capabilities;
- d. the material's artistic, literary and physical quality and format, including its durability, manageability, clarity, appropriateness, skillfulness, organization and attractiveness;
- e. the possible uses of the material, including suitability for individual, small group, large group, introduction, in-depth study, remediation and/or enrichment;
- f. the contribution the material will make to the collection's breadth and variety of viewpoints;
- g. recommendations of school personnel and students from all relevant departments and grade levels;
- h. the reputation and significance of the material's author, producer and publisher; and
- i. the price of the material weighed against its value and/or the need for it.

3. Materials Brought in by Teachers

Principals shall establish rules concerning what materials may be brought in by teachers without review. Principals are encouraged to involve teachers in establishing these rules.

**C. REMOVAL OF OUTDATED SUPPLEMENTARY MATERIALS**

To ensure that the supplementary media collection remains relevant, the media and technology professionals, assisted by the media and technology advisory committee, shall review materials routinely to determine if any material is obsolete, outdated or irrelevant. The school media and technology advisory committee should remove materials no longer appropriate and replace lost, damaged and worn materials still of educational value. Materials may be removed only for legitimate educational reasons and subject to the limitations of the First Amendment. The superintendent may establish regulations that provide additional standards for removing supplementary materials to meet the educational

needs of the school system. Requests by parents to remove supplementary media materials due to an objection to the materials will be reviewed pursuant to policy 3210, Parental Inspection of and Objection to Instructional Materials.

**D. ACCEPTANCE OF GIFT MATERIALS**

Supplementary materials offered as a gift will be reviewed pursuant to the criteria outlined in this policy; policy 8220, Gifts and Bequests; and any regulations established by the superintendent. Gift material may be accepted or rejected by the board based upon such criteria.

**E. CHALLENGES TO TEXTBOOKS AND OTHER INSTRUCTIONAL MATERIALS**

Challenges to materials will be addressed pursuant to policy 3210, Parental Inspection of and Objection to Instructional Materials.

## TITLE I PROGRAM COMPARABILITY OF SERVICES

Policy Code: 3565/8307

To improve the academic achievement of educationally and economically disadvantaged children, the board will participate in the federal Title I program.

### A. TITLE I MAINTENANCE OF EFFORT

The school system will maintain fiscal effort with state and local funds as required to be eligible for the receipt of funds through Title I, Part A of the Elementary and Secondary Education Act, as amended.

### B. USE AND ALLOCATION OF TITLE I FUNDS

Title I funds will be used to supplement, and not to supplant, non-federal funds that would otherwise be used for the education of students participating in the Title I program. Accordingly, state and local funds will be allocated to each school receiving Title I funds in a manner that ensures that each such school receives all of the state and local funds it would otherwise receive in the absence of Title I funding.

### C. COMPARABILITY OF SERVICES

State and local funds will be used in schools receiving Title I funds to provide services that, taken as a whole, are at least comparable to services in schools that are not receiving Title I funds, or, if all schools receive Title I funds, to provide services that are substantially comparable in each school. The board will ensure equivalence among schools in the allocation of state and local resources for (1) teachers, administrators, and other staff, and (2) curriculum materials and instructional supplies. In addition, the board will establish and implement system-wide salary scales that are applicable to all staff whether assigned to Title I or non-Title I schools.

### D. COMPARABILITY TESTING

The superintendent shall direct the Title I ~~coordinator~~director, in conjunction with the finance officer, to conduct comparability testing before November 1 of each school year to assess the equivalent distribution of state and local resources among schools. The Title I director will determine annually whether to compare student enrollment to instructional staff or to instructional staff salary and also whether schools will be examined on a grade-span basis or on a school-by-school basis. The following will be excluded when determining comparability: (1) any resources paid with federal or private funds; (2) supplemental state or local funds expended for programs that meet the intent and purpose of Title I; (3) staff salary differentials for years of employment; (4) unpredictable changes in student enrollment or personnel assignments that occur after the beginning of a school year; (5) state and local funds expended for language instruction programs; and (6) excess costs of providing services to students with disabilities.

Comparability testing will be completed using the forms, ~~measures, methodologies,~~ and ~~following the other~~ guidance created as specified by the North Carolina Department of Public Instruction (NCDPI) for the calculation of comparability. ~~Schools may be examined on either a grade span or school-by-school basis.~~ The superintendent or designee shall submit the comparability testing report annually to NCDPI by the deadline established by that agency.

#### **E. CORRECTION OF NONCOMPLIANCE**

If comparability testing identifies any instances of variance greater than 10%, the Title I ~~coordinator-director~~ shall notify the superintendent or designee without delay. The superintendent or designee shall promptly make adjustments as needed to ensure comparability. These adjustments may include, but need not be limited to, reallocation of materials or supplies, or reassignment of personnel.

#### **F. DOCUMENTATION OF COMPLIANCE WITH TITLE I FISCAL REQUIREMENTS**

The superintendent or designee shall provide in a timely manner ~~all~~ any assurances, additional documentation, or other information required by the State Board of Education/NCDPI to demonstrate the school system's compliance with Title I fiscal requirements.

#### **G. RECORDS MAINTENANCE**

The superintendent or designee shall maintain reports and other documentation demonstrating compliance with the requirements of this policy, including documentation to demonstrate that any needed adjustments to staff assignments were made annually, for review by the North Carolina Department of Public Instruction or auditors upon request.

The superintendent shall ensure that all other requirements for receiving Title I funds are fulfilled in an accurate and timely manner and shall develop, or cause to be developed, any additional procedures necessary to implement this policy.

The board believes that the dress and personal appearance of students greatly affect their academic performance and their interaction with other students. The board requests that parents outfit their children in clothing that is conducive to learning. Generally, dress and grooming standards as determined by the student and his or her parents will be deemed acceptable. However, the board prohibits any appearance or clothing that does the following:

1. violates a reasonable dress code adopted and publicized by the school;
2. is substantially disruptive ([for information on gang-related attire, see policy 4328, Gang-Related Activity](#));
3. is provocative or obscene; or
4. endangers the health or safety of the student or others.

Before ~~being punished~~[receiving disciplinary consequences](#), a student who is not in compliance with this policy or a school dress code will be given a reasonable period of time to make adjustments so that he or she will be in compliance. Disciplinary consequences for a student who fails to comply after being offered this opportunity shall be consistent with Section D of policy 4300, Student Behavior Policies. The superintendent or designee shall list in the Code of Student Conduct the specific range of consequences that may be imposed on a student for violation of the dress code.

The board strives to create a safe, orderly, caring, and inviting school environment. Gangs and gang-related activities have proven contrary to that mission and are prohibited within the schools. A gang is any ongoing organization, association, or group of three or more persons, whether formal or informal, having as one of its primary activities the commission of criminal acts and having a common name or common identifying sign, colors, or symbols. The violence and crime that accompany gangs pose a serious threat to the safety of students and employees of the school system. Even absent acts of violence or crime, the existence of gang-related activity within the schools creates an atmosphere of fear and hostility that obstructs student learning and achievement. Thus, the board condemns the existence of gangs and will not tolerate gang-related activity in the school system.

**A. PROHIBITED BEHAVIOR**

Gang-related activity is strictly prohibited within the schools. For the purposes of this policy, “gang-related activity” means: (1) any conduct that is prohibited by another board policy and is engaged in by a student on behalf of an identified gang or as a result of the student’s gang membership; or (2) any conduct engaged in by a student to perpetuate, proliferate, or display the existence of any identified gang.

Conduct prohibited by this policy includes:

1. wearing, possessing, using, distributing, displaying, or selling any clothing, jewelry, emblems, badges, symbols, signs, or other items with the intent to convey membership or affiliation in a gang;
2. communicating either verbally or non-verbally (gestures, handshakes, slogans, drawings, etc.) with the intent to convey membership or affiliation in a gang;
3. tagging, or otherwise defacing school or personal property with symbols or slogans intended to convey membership or affiliation in a gang (see policy 4330, Theft, Trespass, and Damage to Property);
4. requiring payment of protection; or insurance or otherwise intimidating or threatening any person related to gang activity (see policy 4331, Assaults, Threats, and Harassment);
5. inciting others to intimidate or to act with physical violence upon any other person related to gang activity (see policy 4331);
6. soliciting others for gang membership; and
7. committing any other illegal act or other violation of school system policies in connection with gang-related activity.

## B. NOTICE

The superintendent or designee shall regularly consult with law enforcement officials to maintain current examples of gang-related activities, including but not limited to gang names and particularized examples of potential gang indicators including symbols, hand signals, graffiti, clothing, accessories, and behaviors. Each principal shall maintain a list of current examples of gang-related activities to assist students, parents, and teachers in identifying gang symbols and practices. The list shall be available in an easily accessible location in the main office of the school. Parents, students, and school employees may, upon request, access the list, which shall include a warning that wearing or displaying clothing, hand signs, or symbols identified in the list with the intent to convey membership or affiliation in any gang may subject a student to discipline under this policy.

In addition, the Code of Student Conduct and all student handbooks (or such other similar materials distributed to parents and students in lieu of a student handbook) shall contain notice that (1) current information on gang-related activities is maintained in the main office at each school; (2) information on gang-related activities is subject to change and the principal should be consulted for updates; and (3) wearing or displaying clothing, hand signs, or symbols identified in the list with the intent to convey membership or affiliation in any gang may subject a student to discipline under this policy. The Code of Student Conduct and student handbook (or such other similar materials) also shall provide the addresses of websites that contain additional information identifying gang signs, symbols, clothing, and other gang indicators.

In providing this information for students and parents, the board acknowledges that not all potential gang indicators connote actual membership in a gang.

## C. CONSEQUENCES

Before ~~being punished~~ receiving disciplinary consequences for a violation of subsection A.1 or A.2, above, a student shall receive an individualized warning as to what item or conduct is in violation of this policy and shall be permitted to immediately change or remove any prohibited items. A student may be ~~punished-disciplined~~ only if he or she previously received notice that the specific item or conduct is prohibited.

Disciplinary consequences for violations of subsections A.1, A.2 and A.6, above, shall be consistent with Section D of policy 4300, Student Behavior Policies. The superintendent or designee shall list in the Code of Student Conduct the specific range of consequences that may be imposed on a student for violations of these subsections.

Violations of subsections A.3, A.4, A.5 and A.7, above, are violations of both this policy and other board policies. Disciplinary consequences for such violations shall be consistent with Section D of policy 4300 and the specific range of consequences listed in the Code of Student Conduct for the other board policy violated. That the violation was gang-related shall be an aggravating factor when determining the appropriate consequences.

In a situation where a student has violated this policy or is otherwise suspected of gang affiliation through other circumstantial evidence, the principal shall conduct an intervention involving the principal and/or assistant principal, the student and the student's parent. Such intervention also may include the school resource officer and others as appropriate. The purpose of an intervention is to discuss school officials' observations and concerns and to offer the student and his or her parents information and an opportunity to ask questions or provide other information to the school officials.

This policy shall be applied in a non-discriminatory manner based on the objective characteristics of the student's conduct in light of the surrounding circumstances.

Attendance in school and participation in class are an integral part of academic achievement and the teaching-learning process. Regular attendance develops patterns of behavior essential to professional and personal success in life. Regular attendance by every student is mandatory: the State of North Carolina requires that every child in the State between the ages of seven (or younger if enrolled) and 16 years attend school. Parents or legal guardians have the responsibility for ensuring that students attend and remain at school daily.

**A. ATTENDANCE RECORDS**

School officials will keep an accurate record of attendance, including accurate attendance records in each class. Attendance records will be used to enforce the Compulsory Attendance Law of North Carolina.

**B. EXCUSED ABSENCES**

When a student must miss school, a written excuse signed by a parent or guardian must be presented to the student's teacher on the day returning after an absence. If the student does not present a signed parental note within two days, the absence will be coded as unexcused and an excuse note will no longer be accepted. Absences due to extended illnesses may also require a statement from a physician. An absence may be excused for the following reasons:

1. personal illness or injury which makes the student physically unable to attend school;
2. isolation ordered by the State Board of Health;
3. death in the immediate family;
4. emergency medical or dental appointment or such an appointment which has been approved in advance by the principal;
5. participation under subpoena as a witness in a court proceeding;
6. a minimum of two days each academic year for observance of an event required or suggested by the religion of the student or the student's parent(s) with written prior approval from the principal; participation in a valid educational opportunity, such as travel, with prior approval from the principal;
7. absence due to pregnancy and related conditions or parenting, when medically necessary.
8. Principal discretion.
9. Visitation with the student's parent or legal guardian, at the discretion of the superintendent or designee, if the parent or legal guardian (a) is an

active duty member of the uniformed services as defined by policy 4050, Children of Military Families, and (b) has been called to duty for, is on leave from, or has immediately returned from deployment to a combat zone or combat support posting.

In the case of excused absences and out of school suspensions, the student will be permitted to make up his or her work. The teacher will determine when work is to be made up. The student is responsible for finding out what assignments are due and completing them within the specified time period.

**C. SCHOOL-RELATED ACTIVITIES**

All classroom activities are important and difficult, if not impossible, to replace if missed. It is the intention of the board of education that classes missed be kept to an absolute minimum through close scrutiny and a monitoring system on the part of the principal. The following school-related activities will not be counted as absences from either class or school:

1. field trips sponsored by the school;
2. school-initiated and scheduled activities;
3. athletic events that require early dismissal from school; or in-school suspension.

Assignments missed for these reasons will be completed by students. The teacher will determine when work is to be made up. The student is responsible for finding out what assignments are due and completing them within the specified time period.

If no local funds are available, the classroom teacher will assume the responsibility for obtaining the money for gas through parent donations

**D. EXCESSIVE ABSENCES**

Class attendance and participation are critical elements of the educational process and may be taken into account in assessing academic achievement.

The principal will notify parents and take all other steps required by G.S. 115C378 for excessive absences.

*In addition, for students experiencing homelessness (see board policy 4125, Homeless Students), school officials must consider issues related to the student's homelessness,*

such as a change of caregivers or nighttime residence, before taking disciplinary action or imposing other barriers to school attendance based on excessive absences or tardies.

Excessive absences may impact eligibility for participation in interscholastic athletics. See policy 3620, Extracurricular Activities and Student Organizations.

### **High School Attendance Policy**

High school students can have no more than eight total (excused and unexcused) absences in a class per semester. Absence in excess of this amount will result in the student not receiving credit for the class. Each high school will have a standing Attendance Committee that meets bi-weekly to review attendance data, contact students and parents, and intervene as necessary to ensure success for all students. Violations of the North Carolina Compulsory Attendance Law will be reported as required by NC General Statutes.

High school students must make up time on an hour-for-hour basis. Make-up times will be arranged at the discretion of the principal, based upon the individual needs and resources of the school.

For the purposes of this policy, Montgomery County Schools recognizes that tardiness to and early departures from school and individual classes are a major disruption to school operations and distract from the learning environment of the student who is tardy as well as that of other students. High school students who are tardy or leave early from an individual class period five times (5) will be counted as absent for one (1) class period for that class. If total absences, including tardy/early departure absences exceed 8 for the class, the time must be made up on an hour-for-hour basis in order for the student to receive credit for the class. Persistent tardiness will be reviewed by the Attendance Committee and reported to parents/guardians.

At 3, 6 and 10 absences letters are sent to parents as required by NC General Statutes. Any student with excessive absences will also be required to meet with the Student Assistance Team.

A doctor's note may be required if the student is absent three days in a row.

High school students may request a waiver of the attendance requirement due to extraordinary, extenuating circumstances. Waiver request forms must be submitted five (5) days prior to the end of the semester. This timeframe may be adjusted at the

discretion of the principal. The Attendance Committee will review the request for waiver and decide to grant or deny the request. If the request is denied, the student shall be allowed the opportunity to make up the missed time and work at the discretion of the principal.

**Middle School Attendance Policy**

Middle School students may not miss more than fifteen (15) days in a given school year. Any student who misses more than fifteen (15) days will be referred to the principal for possible retention. The principal/designee will notify the parent of the school's concern and remind the parent of the district's attendance policy, promotion standards/requirements, and the NC Compulsory Attendance Law requirements.

Students may make up time for any absence over fifteen (15) days at the discretion of the principal, based upon the needs and resources at the school.

If students do not make up required time under this policy, they may be retained in the current grade at the discretion of the principal. Parents/Guardians who feel that extraordinary, extenuating circumstances warranted the excessive absences can file a waiver request with the Attendance Committee at the school. The waiver request should be received at least five (5) days before the end of the final grading period. The Attendance Committee will grant or deny the waiver. If the request is denied, the student shall be allowed the opportunity to make up missed time and work at the discretion of the principal.

For the purposes of this policy, seven (7) tardies or early dismissals will equal one (1) class absence.

At 3, 6, and 10 absences letters are sent to parents as required by NC General Statutes. Any student with excessive absences will also be required to meet with the Student Assistance Team:

A doctor's note may be required if the student is absent three days in a row. Teachers must daily complete attendance reports for NCWISE.

**Elementary School Attendance Policy**

Recognizing that regular school attendance is the foundation for learning and that NC Compulsory Attendance Law requires students to be in attendance, students in the

Montgomery County Schools are required to have regular attendance in order to be promoted to the next grade. An elementary student who is absent more than fifteen (15) days will be referred to the principal for possible retention. Upon the 5<sup>th</sup> absence (excused or unexcused) the principal or designee will notify the parent/guardian of the school's concern and remind the parent of the district's attendance policy, promotion standards/requirements, and the NC Compulsory Attendance Law requirements.

If the principal determines that retention is necessary based upon attendance, the parent/guardian will be notified of this fact in writing. The parent/guardian may appeal the decision of the principal to retain the student to the Superintendent. Requests for appeal must be received by the Superintendent within five (5) days of receiving final notice of retention from the principal.

For purposes of this policy, ten (10) tardies or early dismissals will equal one day's absence.

At 3, 6 and 10 absences letter are sent to parents as required by NC General Statutes. Any student with excessive absences will also be required to meet with the Student Assistance Team.

A doctor's note may be required if the student is absent three days in a row.

#### **E. TARDINESS AND EARLY DISMISSALS**

Superintendent shall work with principals to develop procedures for enforcing this policy. The principal shall work with school staff to develop procedures for accurate accounting of tardies and early dismissals. Schools are encouraged to develop check out schedules whereby a child can only be checked out of school with a doctor's note.

**A. PRINCIPLES**

The board encourages the development and participation of parent organizations that support the goals of the board and the school system. The board recognizes that parent organizations are an effective means of involving parents in their children's schools. The superintendent and school administrators shall inform parent organizations of specific goals for each school and shall help these parent organizations identify opportunities to assist the school in achieving these goals.

Participation in parent organizations is always voluntary. No student or parent will be required to participate in a parent organization as a condition of participation in a curricular or extracurricular school activity or program.

**B. CONDITIONS FOR ESTABLISHING PARENT ORGANIZATIONS**

Parent organizations, including PTAs, PTOs, and booster clubs, are not considered a part of the school system and may not represent themselves to students, parents, or others as official representatives of a school or the school system. However, because these organizations and their activities reflect upon the school system, all parent organizations must comply with the following conditions in order to operate in conjunction with the schools.

1. All parent organizations must provide the superintendent with a document describing the purpose of the organization and the general rules and procedures by which it will operate. Any later modifications to the organization's purpose or general rules and procedures also must be provided in writing to the superintendent.
2. Parent organizations must obtain prior approval from the principal for (a) any fund-raising event; (b) any purchase for the school; (c) any function involving the participation of students; or (d) any event that is likely to reflect upon the school or the school system.
3. Fliers and other literature displayed or distributed by parent organizations must comply with policy 5210, Distribution and Display of Non-School Material.
4. Parent organizations are responsible for maintaining their own financial records in accordance with the requirements of Section C. Employees of the school system are not permitted to manage the affairs of parent organizations during the workday.
5. Parent organizations are expected to consider the cultural diversity and economic differences of students and parents in planning school-related functions.

The superintendent shall grant or deny parent organizations approval to operate at each school. Parent organizations that do not comply with board policies may have approval to operate within the school revoked by the superintendent. The superintendent shall provide a list of the approved parent organizations to the board annually.

### C. FUNDS MANAGEMENT

Parent organization funds may be used only for purposes consistent with the goals, rules, and procedures of the organization. Adequate financial records, including sales slips, receipts, invoices, and any other documentation of expenditures, must be maintained and be accessible to parents and school officials on request.

Parent organization funds may be deposited only in an account maintained by the organization. All checks must be signed by the organization treasurer and either the organization president or vice-president. The organization president should periodically review the organization bank records, which must be reconciled by the organization treasurer at least monthly.

All financial documents and accounts of the parent organization must be in the name of the parent organization and not in the name of the school, the school system, or a specific school team or program. Bank accounts should reflect the official name of the parent organization and carry the parent organization's tax identification number. The school system's tax identification number may not be used on a parent organization's bank account or financial documents. The school system does not have any financial responsibility for the payment of obligations incurred by a parent organization.

### ~~C.D.~~ DONATIONS TO ~~A SCHOOL OR~~ THE SCHOOL SYSTEM

~~Any item that a parent organization proposes to contribute to a school must meet all legal requirements, including safety codes. Before accepting a donation of equipment, supplies or funds to the school system from a parent organization, the principal must notify the superintendent and ensure that the donation complies with the must be made in accordance with the process and requirements of policy 8220, Gifts and Bequests. —All donated items become the property of the school system. While the intent of the donor will be considered, the school system reserves the right to modify the use of the donation if the needs of students or the school system change.~~

~~In addition, the school system will voluntarily index databases created or compiled prior to July 1, 1998, so long as the process is not unreasonably burdensome or costly. Any voluntary indexing does not have to meet statutory requirements or the guidelines issued by the North Carolina Division of Archives and History.~~

#### **F.E. ELECTRONIC MAIL LISTS**

A school employee may be authorized by the superintendent or designee to maintain an electronic mail list of individual subscribers. Such a list may be used only: (1) for the purpose for which the subscribers subscribed to it; (2) to notify subscribers of an emergency to public health or public safety; or (3) in the event of deletion of the list, to notify subscribers of the existence of any similar lists. Although such electronic mail lists of individual subscribers shall be available for public inspection in either printed or electronic format to the extent permitted by law, school officials shall not provide anyone with copies of such lists. The board is the sole entity authorized to execute formal contracts between the school system and any firm or person offering to provide materials, equipment, or services to the school system. Creditors are on notice that the board may choose not to honor contracts entered into by school or school system officials without authority to enter into contracts.

**A. AUTHORIZATION TO ENTER INTO CONTRACTS**

No contract requiring the expenditure of funds may be entered into unless the budget resolution adopted pursuant to policy 8110, Budget Resolution, authorizes the expense and there is a sufficient unencumbered balance to pay the amount to be disbursed. (See policy 6421, Pre-Audit and Disbursement Certifications.) No contract may be entered into with a restricted company, as listed by the state treasurer in accordance with G.S. 147, art. 6E or 6G, except as permitted by those laws.

Any contract involving expenditures in excess of \$5,000.00 must be reviewed by the board attorney and approved in advance by the board unless provided otherwise in board policy. (Approval requirements for construction and repair contracts are established in policy 9120, Bidding for Construction Work.) Unless otherwise prohibited by statute or regulation, the superintendent or designee is authorized to enter into contracts or approve amendments to contracts for materials, equipment, supplies, or services involving amounts up to \$5,000.00. However, change orders for construction and repair contracts are subject to the requirements of policy 9030, Facility Construction, not this provision.

To provide greater flexibility at the school level, the superintendent also may establish circumstances in which principals may enter contracts involving amounts up to \$5,000.00. The superintendent, with appropriate involvement of the finance officer, shall establish any procedures necessary to ensure fiscal accountability and reporting by principals who enter into contracts.

At least monthly, the superintendent shall report to the board all contracts and contract amendments approved by the superintendent under this policy that exceed \$5,000.00.

**B. CONTRACT FORMS**

The board attorney shall review any contract forms developed for use by a school or the school system.

**C. LEASE PURCHASE CONTRACTS**

The finance officer must approve any request to enter lease purchase contracts as authorized by G.S. 115C-528, regardless of the dollar amount. After considering the principal and amount of interest, the superintendent must determine that the lease purchase is a fiscally prudent choice that is consistent with board policy.

The finance officer shall provide the board with periodic reports on lease purchase contracts, including the amount of the principal, interest paid, and the amount of the outstanding obligation.

#### **D. OTHER APPLICABLE POLICIES AND LAWS**

Purchases may be made through the State Division of Purchase and Contract in accordance with the Division's rules and regulations, as authorized by G.S. 115C-522.

All contracts involving construction or repair work or purchase of apparatus, supplies, materials, or equipment must be undertaken in compliance with Chapter 143 of the North Carolina General Statutes, except as provided elsewhere by state law. Contracts must also comply with applicable board policies, including, but not limited to, policies 6430, Purchasing Requirements for Equipment, Materials, and Supplies; 6450, Purchase of Services; 9030, Facility Construction; 9110, Use and Selection of Architects, Engineers, Surveyors, and Construction Managers At Risk; and 9120, Bidding for Construction Work.

All contracts subject to the E-Verify requirement will contain a provision stating that the contractor and the contractor's subcontractors must comply with the requirements of Article 2 of Chapter 64 of the General Statutes.

## **PRE-AUDIT AND DISBURSEMENT CERTIFICATIONS**

Policy Code:

**6421**

Except as otherwise provided by law, no obligation may be incurred by the school system unless the budget resolution includes an appropriation authorizing the obligation and an unencumbered balance remains in the appropriation sufficient to pay in the current fiscal year the sums obligated by the transaction for the current fiscal year.

An obligation incurred in violation of the requirements of state law as specified in this policy is invalid and may not be enforced. The finance officer shall establish procedures in accordance with any rules adopted by the Local Government Commission to assure compliance with statutory requirements and this policy.

### **A. PREAUDIT CERTIFICATION**

## RECRUITMENT AND SELECTION OF PERSONNEL

Policy Code:

7100

### A. GENERAL PRINCIPLES

It is the policy of the board to provide all applicants for employment with equal employment opportunities and to provide current employees with training, compensation, promotion, and other benefits of employment without regard to race, color, religion, national origin, military affiliation, genetic information, sex, age, or disability, except when sex, age, or physical requirements are essential occupational qualifications. All candidates will be evaluated on their merits and qualifications for positions. All employment decisions will be consistent with the board's objective of providing students with the opportunity to receive a sound basic education, as required by state law.

The board also is committed to diversity throughout the programs and practices of the school system. To further this goal, the recruitment and employment program should be designed to encourage a diverse pool of qualified applicants.

### B. RECRUITMENT

Recruitment for a specific vacancy will be undertaken only after the need and qualifications for the position are established and proper authorization is obtained.

All vacancies must be adequately publicized within the school system so that employees will be informed of opportunities for promotion or transfer to new jobs; however, the superintendent or designee may forgo publicizing a vacancy if the position will be filled through a lateral assignment, reassignment, or promotion of a current employee or if exigent circumstances necessitate that the position be filled immediately. Vacancies also may be publicized externally to attract qualified applicants.

### C. CRIMINAL HISTORY

Applicants must notify the assistant superintendent of human resources immediately if they are arrested, charged with, or convicted of a criminal offense (including entering a plea of guilty or *nolo contendere*) other than a minor traffic violation (i.e., speeding, parking, or a lesser violation). Notice must be in writing, must include all pertinent facts, and must be delivered to the assistant superintendent of human resources no later than the next scheduled business day following the arrest, charge, or conviction, unless the applicant is hospitalized or incarcerated, in which case the applicant must report the alleged violation within 24 hours after his or her release. Upon judicial action in the matter, the applicant must report the disposition and pertinent facts in writing to the assistant superintendent of human resources no later than the next business day following adjudication.

A criminal history check and a check of sex offender registries must be conducted on all final candidates for employment with the school system. Criminal history checks must be

conducted in accordance with state law and any procedures established by the superintendent. School officials shall not require candidates to disclose expunged arrests, charges, or convictions and shall not ask candidates to voluntarily disclose such information without first advising that disclosure is not required. The superintendent or designee shall report to the State Board of Education any licensed individual who is found to have a criminal history, as required by State Board policy.

A final candidate for employment or for hiring as an independent contractor will be excluded from hiring on the basis of criminal conduct only when doing so is job-related and consistent with business necessity. If a final candidate is found to have been convicted of a criminal offense, other than a minor traffic violation, the superintendent shall determine whether the individual is qualified for employment despite the criminal history by considering, among other things, whether the individual poses a threat to the safety of students or personnel or has demonstrated that he or she does not have the integrity or honesty to fulfill the duties of the position. The following factors will be considered in making this determination: (1) the nature and gravity of the offense or conduct; (2) the time that has passed since the offense or conduct and/or completion of the sentence; and (3) the nature of the job sought. Before the superintendent may exclude a final candidate based on his or her past criminal convictions, the superintendent must give the candidate the opportunity to demonstrate that the exclusion does not properly apply to him or her.

The board has determined that every position with the school system, regardless of whether the position is located in a school or elsewhere, potentially entails contact with students, either on a regular, occasional, or emergency basis. For that reason, no individual who is a registered sex offender subject to the provisions of policy 5022, Registered Sex Offenders, will be hired for any position with the school system.

In addition, each contract executed by the board with an independent contractor or for services of independent contractors must require the contractor to check sex offender registries as specified in policy 5022, Registered Sex Offenders.

#### **D. SELECTION**

  - i. An employee who knowingly fails to disclose a familial relationship to the board as required will be subject to disciplinary action up to and including dismissal.

- d. No administrative or supervisory personnel may directly supervise a member of his or her immediate family.

### 3. Employment Procedures

All applicants selected for employment must be recommended by the superintendent and approved by the board. In situations in which the employee must be hired between board meetings, the superintendent is authorized to approve hiring such personnel, contingent upon approval by the board at its next scheduled board meeting.

State guidelines must be followed in selection and employment procedures. The superintendent shall develop any other procedures necessary to implement this policy.

The superintendent shall develop procedures for verifying new employees' legal status or authorization to work in the United States as required by law.

The board recognizes the importance of establishing a clear contractual relationship with teachers employed by the school system. All teacher employment contracts entered into by the board will meet the requirements of state law and State Board of Education policy. Nothing in this policy is intended to grant or confer any employment rights beyond those existing in law.

For the purposes of this policy, the term “teacher” is defined as a person who meets the requirements of G.S. 115C-325.1(6). An individual who is employed under a part-time teacher contract (less than 100%) or employed under a temporary teacher contract does not meet this definition of teacher; however, the board’s performance expectations established in this policy apply to such individuals.

**A. TEACHER PERFORMANCE EXPECTATIONS**

Teachers are responsible for facilitating student learning in a safe and orderly environment in which students become college and career ready. Teachers must be familiar with the current statewide instructional standards for their teaching assignment and able to teach the curriculum effectively. The board expects teachers to meet all performance standards established by the board, the superintendent or designee, state law, and State Board of Education policy; and to pursue professional development as provided in policy 1610/7800, Professional and Staff Development. Employment contracts for teaching will be granted or renewed only for individuals of proven ability who strive for excellence.

**B. SUPERINTENDENT’S RECOMMENDATION**

The board will employ teachers upon the recommendation of the superintendent. The superintendent is expected to be able to substantiate with supporting information any recommendation for a new or renewed contract for an applicant or current teacher. The superintendent’s recommendation for a new or renewed contract must include the length of the term of the contract, which must be consistent with state law and board requirements as described in Section C, below. The board will follow a recommendation of the superintendent regarding the length of the contract that is consistent with law and this policy unless specific circumstances justify offering the teacher a contract of a different term. In considering the superintendent’s recommendation, the board may review any information that was in the teacher’s personnel file at the time of the superintendent’s recommendation **or was added to the teacher’s file, with the proper notice to the teacher, prior to the board’s decision.**

**C. DETERMINATION OF CONTRACT LENGTH**

This section applies when the superintendent has decided to recommend that the board offer a teacher a new or renewed contract. For information regarding a decision by the superintendent not to recommend that the board offer a teacher a renewed contract, see policy 7950, Non-Career Status Teachers: Nonrenewal.

A teacher that is within their first three years of employment by Montgomery County Schools will receive a one-year contract based on principal recommendation.

A teacher who has worked previously for Montgomery County Schools for three or more years and has returned to our school system, must be successfully employed on a one-year contract with Montgomery County Schools before they can qualify for a two or four year contract. This contract will be based on principal recommendation.

1. To be recommended for an additional one year contract after three years, a teacher must:
  - a. have received a rating of at least “proficient” in four of five categories of last summative evaluation;
  - b. not be on a growth, improvement, or corrective action plan currently and not have been on any such plan at any time during the current school year;
  - c. not have other relevant performance information or letters of reprimand in his or her personnel file that would support a decision to disqualify the teacher for another contract.
2. To be recommended for a two-year contract, a teacher must:
  - a. have received a rating of at least “proficient” in all five categories and “accomplished” in standard four of last summative evaluation;
  - b. not be on a growth, improvement, or corrective action plan currently and not have been on any such plan at any time during the current or previous school year;
  - c. not have received a reprimand, demotion, suspension without pay, or other disciplinary consequence during the current or previous school year;
  - d. not have other relevant performance information in his or her personnel file that would support a decision to disqualify the teacher from a multi-year contract; and
3. To be recommended for a four-year contract, a teacher must:

- a. meet the criteria for a two-year contract; and
  - b. have received a rating of at least “accomplished” or higher on three of the five standards (two of these must be standards one and four) on the evaluation instrument in the most recent summative evaluation;
  - c. not be on a growth, improvement, or corrective action plan currently and not have been on any such plan at any time during the current or previous school year;
  - d. not have received a reprimand, demotion, suspension without pay, or other disciplinary consequence during the current or previous school year;
  - e. not have other relevant performance information in his or her personnel file that would support a decision to disqualify the teacher from a multi-year contract; and
4. The Board recognizes that multi-year contracts are necessary to attract and retain only the very best teachers. Pursuant to this goal, only the finest educators are eligible for multi-year contracts. The Superintendent and a committee, consisting of the executive leadership team, will convene to personally review every principal recommendation for a multi-year contract, prior to presentation to the Board for ultimate approval.

**D. DISMISSAL AND NONRENEWAL**

Any teacher that only receives three “proficient” ratings in their last summative evaluation, after being employed for three years, will be non-renewed. This policy is not intended to limit the superintendent’s discretion to recommend dismissal, demotion, 89890a shorter contract length, or nonrenewal of any teacher for any basis allowed by law including but not limited to reduction in force due to school system reorganization, decreased enrollment, reduced funding, or other budgetary issues as described in board policy 7920, Reduction in Force” Teachers and School Administrators.

Any employee who does not meet the performance or other standards of the board, the standards of state law or the State Board of Education, or the terms of the employment contract may be subject to demotion or dismissal, as provided in policy 7930, Professional Employees: Demotion and Dismissal, or to nonrenewal, as provided in policy 7950, Non-Career Status Teachers: Nonrenewal.
