

Camp Timberwolf

July 22-25, 2019

Why Camp Timberwolf?

In preparation for the opening of the new CTE Career Center and Montgomery Central High School, Montgomery County Schools will be offering a weeklong summer “STEAM” (Science, Technology, Engineering, Arts, Mathematics) camp for rising 8th and 9th graders.

The MCS Transition Committee is working to create the culture of Montgomery Central. This camp is an opportunity for students to begin developing friendships and leadership skills that will help form a culture of success and collaboration.

Camp Timberwolf will highlight all the exciting educational opportunities available for students. We are currently adding program area projects.
