

After-School Care Program

Particulars

- Add one site this coming year
- DCDEE must inspect and approve site/room
- Met with Consultant
- Cost to parent approximately \$240 per month-subsidy can cover
- Need site coordinator and assistant

Particulars

- In the process of applying for license
- Site must provide stations-set forth by DCDEE:
 - Homework center required
 - Math/science/art/reading/computer-suggested
 - But must have at least 5 centers
 - Staff training similar to NC-Prek staff
 - Provisional license 1st year

Particulars

- Since Star is located in the area Eggleston's is closing. We recommend starting here-also no after school site for 21st century is currently on this site
- Vance and I have a required workshop upcoming
- Continue to work with consultant at the pleasure of the Superintendent and Board
