SUBJ: ACTION ITEM (First Health Coalition Nominee)

First Health of the Carolinas is forming a coalition to focus on healthy school snacks and walking trails for schools in their service region. They have requested that a representative of the Montgomery County Board of Education be included as a part of the coalition.

Mrs. Sandra Miller has stated that she would be happy to volunteer if no one else is specifically interested in doing so and if the rest of the Board is in agreement.

I am available to answer any questions you might have.
