# Foundations for Academic Success

# New Teacher Assistance Team

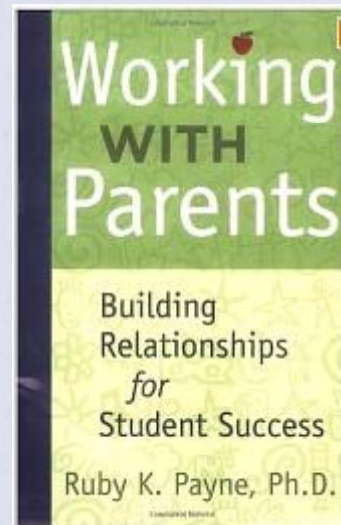

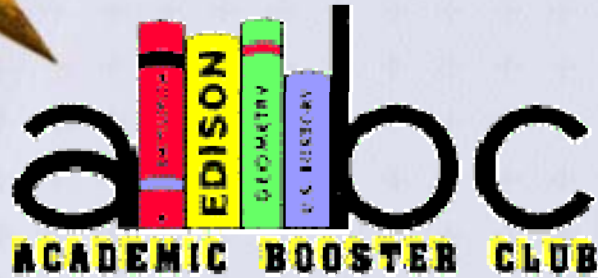

A decorative graphic on the left side of the slide. It features several sharpened pencils in various colors (orange, yellow, red, green, blue) arranged in a fan-like pattern at the top. Below them, a small black mesh pencil holder contains several more colored pencils. The background of the slide is light blue with a subtle pattern of small white stars.

# Fortunate for Four — Sam Davis

“Going to have a bunch that’s new!”  
Mrs. Kennedy said to her loyal crew  
Let’s make a special welcome team  
To ease their way into our scheme  
So four were picked to lead the way  
Their goal to make new teacher’s day  
Offered words of wisdom great  
‘Cause years ago they could relate  
Filled our box with lots of treats  
A needed touch for weary feet  
Knew what to do to help us find  
Our way through all this daily grind  
So Jill and Amy, Mary, Carol  
Your efforts help us not to fail  
Mere thanks is not enough expressed  
This kindness left us much impressed
